Stability and Traction

Subaru Symmetrical All-Wheel Drive

Standard	Standard	Standard	Standard	Standard	Standard	Standard

X-MODE®

ⓘ X-MODE optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces. Onyx Edition, Limited, Onyx Edition Limited, and Touring models include dual-function X-MODE with Snow/Dirt and Deep Snow/Mud modes.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Hill Descent Control (HDC)

ⓘ X-MODE also incorporates Hill Descent Control (HDC) that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Vehicle Dynamics Control (VDC)

ⓘ Standard VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate, and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Traction Control System (TCS)

ⓘ VDC also incorporates an all-wheel, all-speed traction control system that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Active Torque Vectoring

ⓘ Active Torque Vectoring works in tandem with VDC, applying braking power to the inside front wheel, resulting in better handling, sharper turn-in, more neutral steering, and higher cornering limits while turning.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Trailer Stability Assist (TSA)

ⓘ Trailer Stability Assist senses any unsafe yaw conditions and automatically applies braking to specific wheels to help driver maintain vehicle control.

Standard	Standard	Standard	Standard	Standard	Standard	Standard

Optional

Accessories

Cargo Area Lighting - LED

ⓘ Significantly enhances visibility in the cargo area with bright, white overhead LED lighting compared to the standard interior side incandescent bulb.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

Cargo Net

ⓘ Neatly holds cargo and prevents it from sliding while the vehicle is in motion. The Cargo Net can be used two ways: anchor it to the sides of the cargo area to help prevent shifting from front to back or lay it across the floor to help keep things from rolling around.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

Cargo Tray

ⓘ Helps protect the trunk area from sand, water, stains, dirt and other messes while providing a surface that helps reduce the shifting of cargo while driving.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

All-Weather Floor Liners

ⓘ Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt and moisture. All-Weather Floor Liners are precision-engineered to ensure a precise fit and withstand a series of functional and durability evaluations to help ensure the liners will not warp, fade or tear. Set includes front, rear and 3rd row footwell liners. Not intended for use on top of Carpeted Floor Mats.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

Auto-Dimming Exterior Mirror with Approach Light

ⓘ Enhance nighttime driving safety by adding the Auto-Dimming Exterior Mirrors with Approach Light. Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights located behind the Subaru logo in each exterior mirror will illuminate the ground next to and towards the rear of the vehicle. During nighttime driving, the Exterior Auto-Dimming Mirrors will reduce headlight glare by dimming in unison with the Auto-Dimming (Interior) Mirror, creating a safer driving experience. Dimming level is regulated by the level of light detected from the Auto-Dimming (Interior) Mirror.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

Rear Bumper Cover

ⓘ Helps protect the upper surface of the painted bumper from scratches and scuffs. The satin chrome finish also enhances the appearance of the Ascent.

Not Available	Not Available	Optional	Optional	Not Available	Optional	Not Available

Rear Seatback Protector - 2nd Row Bench

ⓘ Provides additional protection when lowering the seats in the 2nd row when transporting even larger cargo. Use in conjunction with the Rear Seatback Protector - 3rd Row Bench and Cargo Tray for optimal protection.

Optional	Not Available	Optional	Not Available	Not Available	Not Available	Not Available

Splash Guards

ⓘ Helps protect vehicle paint finish from stones and road grime. Engineered to help reduce wind noise and aerodynamic drag. Splash Guards undergo a series of durability tests to help withstand weather and driving conditions. Set of four.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

LED Upgrade

ⓘ Enhance the illumination of your standard interior visor lights with brighter, whiter and crisper LED lighting. The LED Upgrade accessory is developed and tested to vigorous Subaru standards for seamless operation, uninterrupted functionality and to help ensure the safety of your vehicle's electrical infrastructure.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

Trailer Hitch

ⓘ Subaru hitches are engineered and crash tested to meet the same rigorous safety standards as the rest of the Ascent. Heavy-duty 2-inch receiver rated at 5,000 lbs. towing capacity, 500 lbs. tongue weight. Trailer Hitch requires the hitch and harness for proper operation and safety compliance. Hitch ball not included. Ball Mount sold separately. Trailer brakes may be required by your state for heavier loads. Consult your owner's manual for more information.

Optional	Optional	Optional	Optional	Optional	Optional	Optional

1 The glass information listed represents calculated reference values and may not represent actual values determined by testing.

2 Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

3 EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See your Owner's Manual for complete details on system operation and limitations.

4 Maximum towing capacity varies by trim level. Trailer brakes may be needed. See your retailer for details.

5 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit http://www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

6 Activation and required subscription sold separately. Includes trial subscription. See your retailer for details.

7 Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan.

8 Automatic Emergency Steering is a system designed to assist the driver. It is not a substitute for safe and attentive driving. Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. See your Owner's Manual for complete details, including important system limitations. Availability varies by trim level.

9 Performance Package available Winter 2017.

10 DriverFocus is a driver-recognition technology designed to alert the driver if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operations and limitations.

11 Blind-Spot Detection, Lane Change Assist, and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

12 Reverse Automatic Braking is a system designed to assist the driver by detecting objects to help avoid a possible collision when the vehicle is moving in a reverse direction. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations.

13 Activation with subscription required. Includes a five-year trial subscription to MySubaru Companion services and a one-year trial subscription to MySubaru Navigator. MySubaru Companion+ services can be purchased as a multi-year package with annual or monthly renewals after the package period. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by vehicle and trim level. May not be available in all states. See your retailer for details.

14 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal- and side-impact collisions and outboard second-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

Legal Disclaimers | * MSRP does not include destination and delivery charges, tax, title, and registration fees. Destination and delivery includes handling and inland freight fees and may vary in some states. Prices, specifications, options, features, and models subject to change without notice. Select colors may be subject to an additional charge. See your retailer for more information.

** EPA fuel economy estimates. Actual mileage will vary with driving conditions and your vehicle's condition.

*** Limited warranties are contingent on age and mileage. Whatever comes first concludes the warranty.

† Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit toyota.com/privacyvts

Safety Connect: Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances.

Remote Connect: Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote start/stop not available on manual transmission-equipped vehicles.

Drive Connect: Services not available in every city or roadway.

Service Connect: Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration.

Wi-Fi Connect: Eligible vehicle and wireless service required. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/solterra for terms and conditions. Up to 5 devices can be supported using in-vehicle connectivity. The Wi-Fi Connect trial begins at the time of enrollment activation and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires subscription for third-party provider services.
