Genuine Subaru Performance Parts
Make your heart race with Genuine Subaru Performance Parts

If you’re looking for excitement, you’ve come to the right catalog! Inside you’ll find all the new ways to enhance the performance, endurance and appearance of your Subaru. These Genuine Subaru Performance Parts are all custom engineered to fit your specific vehicle. Which means you can customize, without compromising the integrity of your Subaru. Now, that’s exciting.

About STI Performance Parts.

Developed under the umbrella of the “total tuning” concept, STI Performance Parts are created in close cooperation with the development team of STI (Subaru Tecnica International), a 100% wholly owned subsidiary of Fuji Heavy Industries Ltd. (FHI). Unlike generic performance parts, STI Performance Parts reflect the synergy of STI and FHI, working together to take performance to a new level. Real time performance parts data gleaned from the WRC has been fed back to the STI development group, which uses this knowledge to produce high quality products designed specifically for the unique power train requirements of the Subaru.

Parts not marked with asterisk(s) are covered by the Limited Warranty for Genuine Subaru Replacement Parts and Accessories. See dealer for complete warranty details.

* Parts with one asterisk are covered by the Parts Only Limited Warranty for Select Genuine Subaru Performance Parts (Labor Excluded).

- Parts intended for off-highway application only. May bring vehicle out of compliance with safety/emissions standards. Can only be lawfully installed by end user.
- See dealer for complete warranty details.

** Parts with 2 asterisks sold “as is” without any warranty coverage. Intended for off-highway application only. May bring vehicle out of compliance with safety/emissions standards. Can only be lawfully installed by end user. See dealer for complete warranty details.
**Shifter Bushing**
Improves shifting precision when used in conjunction with the STI Short Throw Shifter.

**Carbon Fiber Shift Pattern**
Genuine STI shift pattern attaches to your vehicle center console.

**Short Throw Shifter**
Significantly reduces shift throw lengths for crisper shifts and sportier driving feel.

**Duracon Shift Knobs**
Molded from Duracon polymer, these sleek looking and lightweight shift knobs give your Subaru a look that sets it apart from the crowd.

**Shift Knobs**
The ultimate shift knob for your Subaru. STI shift knobs combine the highest quality aluminum and leather materials, ergonomic shapes and ideal weight balance.

**Boost Gauge**
Displays engine vacuum in inches of Hg and boost in PSI. Bright white illumination (red for Impreza and Forester) matches the instrument panel lighting. Kit includes mounting pod and hardware.

- Legacy 2.5GT exc. NAVI (2010-2012): H501SAJ200
Rear Differential Protector
Helps protect rear differential from rocks and logs.

New Design Pedal Pad Sets
Aluminum pedal covers with non-slip surfaces and STI logo.

Pedal Pad Sets
Brushed stainless steel with red rubber grips, embossed with the STI logo.
Impreza 2.5i, WRX-TR & Outback Sport (2007) and Forester exc. 2.5X LL Bean (2006-2008): C8110SA005
Impreza (2008), Impreza 2.5i, Impreza 2.5GT & Outback Sport (2009), Legacy exc. spec.B (2008-2009) and Forester (2009): C8110AG000 (5 M/T)
Performance Exhaust System

**New!** Mounted behind the catalytic converter, the STI Performance Exhaust System provides a smooth mandrel bend construction to help reduce exhaust flow restrictions, allowing the engine to “breathe” more efficiently. The exhaust systems include a free-flowing center pipe after the catalytic converter that splits into two pipes and mufflers with engraved STI tips.

**Impreza WRX (2015):** D441SVA100
**Impreza STI (2015):** D441SVA000

---

Legacy 2.5GT Sedan Performance Exhaust System

Cat-back exhaust system is manufactured of T304 stainless steel. Smooth mandrel bend construction helps to minimize back pressure, improve exhaust flow and produce a rich mellow tone. The exhaust system includes a 3-inch intermediate pipe, 3-inch rear y-pipe that splits to two 2-1/4-inch polished pipes and two polished mufflers with SPT engraved tips.

**Legacy GT Sedan & spec.B (2005-2009):** SOA3881110

---

Performance Exhaust System

These exhaust systems feature full stainless steel construction with smooth mandrel bands for low restriction and that famous boxer engine sound. All systems incorporate optimized tubing diameters and exhaust tips that are polished and etched with the SPT logo.

**Impreza WRX (2008-2010):** D441SFG100 (4-Door)
**Impreza WRX (2011-2014):** D441SFG300 (4-Door)
**Impreza WRX STI (2011-2014):** D441SFG350 (4-Door)

---

**Impreza WRX (2008-2010) exc. Impreza 2.5GT (2009-2010):**
**D441SFG000 (5-Door)**

**Impreza WRX STI (2008-2014) exc. Impreza 2.5GT (2009-2010):**
**D441SFG200 (5-Door)**
**Impreza WRX (2011-2014):** D441SFG400 (5-Door)
**High Flow Air Intake**
The SPT High Flow Air Intake is constructed of 319 diecast aluminum, manufactured to ensure the smoothest high flowing bends. Each system includes a silicone-reinforced boot, anti-vibration mounting system, stainless steel t-bolt clamps, and a SPT 4-layer cotton gauze filter with a built-in velocity stack for smooth air flow. The intake is coated in new gunmetal gray-textured powder-coat finish. Professionally dyno tested and when combined with the SPT Heat Shield and SPT Performance Exhaust System, produces up to 30hp and 20 lb-ft of torque on a stock 2007 STI, up to 10hp and 17 lb-ft of torque on a stock 2007 WRX, and up to 30hp and 30lb-ft of torque on a stock 2007 Legacy GT Sedan when measured at the wheel. Installation of High Flow Air Intake System will result in increased turbocharger and diverter valve air flow sounds during operations. This condition is indicative of normal operation.

SOA8431000

**Legacy 2.5GT & Outback XT (2005-2009) and spec.B (2006-2009):**
SOA8431010

**SPT High Flow Replacement Element**
SOA8431110

**Heat Shield**
The SPT Heat Shield helps ensure that the SPT Intake is able to supply the engine with cool air, which reduces the loss of power that comes from a heated intake charge. Cooler air is drawn from inside the passenger front wheel well and behind the headlight - not from the hotter areas surrounding the turbocharger, engine and radiator. Unlike a traditional cold-air intake, which places the filter element as low as possible in the vehicle, this setup helps to supply cool air, limiting the risks of water ingestion.

SOA8431030

SOA8431040

**Exhaust Finisher**
Aluminum trim pieces add a serious performance look to the rear of the 5-door models.

**Impreza WRX STI (2008-2014) & Impreza WRX (2014):**
E7710FG030

**Stainless Steel Exhaust Tips**
Polished stainless steel exhaust tips add a finishing touch to the back of your vehicle.

**Impreza 2.5i Base & WRX Base (2008), 2.5i & 2.5GT (2009-2011) and Forester (2009-2015):**
D0518FG010 (Dual Exhaust - 4D) - 2 required

**Impreza 2.5i Base & Outback Sport (2008-2010):**
D0510FG010 (Single Exhaust - 5D)

**Impreza WRX Base (2008) & 2.5GT (2009-2010):**
D501SFG000 (Single Exhaust - 5D)

**Legacy 2.5i (2010-2015) & Impreza 4D (2012-2015):**
44070AC010 (Single Exhaust - 4D)
Strut Tower Brace – Front*
High-strength aluminum bar increases chassis stability by providing additional stiffness to the front upper suspension area.

Strut Tower Brace – Rear*
High-strength aluminum bar increases chassis stability by providing additional stiffness to the rear upper suspension area.

Strut Tower Brace – Front*
High-strength aluminum bar increases chassis stability by providing additional stiffness to the front upper suspension area.

Strut Tower Brace – Front*
High-strength aluminum bar increases chassis stability by providing additional stiffness to the front upper suspension area.

Flexible Strut Tower Brace
Innovative design improves driving performance without sacrificing ride quality.
Legacy & Outback (2010-2014): E4010AJ002
Forester (2009-2013): E4010SC021

Lower Chassis Brace*
High-strength steel construction increases chassis rigidity by connecting the subframe to the engine cross member.
Impreza WRX, 2.5GT & WRX STI (2008-2014) and Legacy 2.5GT & spec.B (2005-2009): SOA8431120

Lower Chassis Brace*
High-strength aluminum construction increases chassis rigidity by connecting the subframe to the engine cross member.
**Performance Suspension Components**

**Adjustable Struts and Springs:**
Inverted strut and spring design with variable height adjustment. Includes a 4-position strut damping adjustment on front and rear struts. Strut diameter is increased from 22mm to 39mm on 2.5RS and WRX (equal diameter on the STI model). Springs initially lower body approximately 10mm on 2.5RS and WRX, 20mm on STI model, and may be adjusted an additional 30mm.

- 203004S060 (Adjustable Strut/Spring-FR)
- 203004S070 (Adjustable Strut/Spring-FL)
- 203004S080 (Adjustable Strut/Spring-RR)
- 203004S090 (Adjustable Strut/Spring-RL)

**Hook Wrench:**
Used to adjust struts. Includes set of 2 wrenches.

- ST9701455000

**STI Front & Rear Sway Bars:**
Increased diameter to 21mm for front and rear sway bars helps reduce body roll and improve handling.

**Aluminum Arm Kit:**

---

**Inverted Adjustable Struts and Springs**

Inverted strut and fixed spring design lowers the vehicle approximately 15mm. Front spring stiffness is increased 35% over stock, and 30% over stock on the rear springs. Front and rear struts include a 4-position strut damping adjustment which may be adjusted to the damping force of a stock WRX, to harder than a stock STI suspension. Struts are designed exclusively for the 2005-2007 Impreza WRX STI models.

- 203004S221 (Inverted Adjustable Strut/Spring-FR)
- 203004S231 (Inverted Adjustable Strut/Spring-FL)
- 203004S241 (Inverted Adjustable Strut/Spring-RR)
- 203004S251 (Inverted Adjustable Strut/Spring-RL)

Shown with STI Strut Mounts:
- B0310FE000 - Front (2 required)
- B0310FE013 - Rear (2 required)

---

**Strut and Spring Set**

Strut cylinder diameter is increased from 22mm to 39mm. Overall system stiffness is increased by 50%-130% depending on vehicle application. Springs lower body approximately 15mm-22mm.

- 203004S101 (Strut/Springs-FR)
- 203004S111 (Strut/Springs-FL)
- 203004S121 (Strut/Springs-RR)
- 203004S131 (Strut/Springs-RL)

---

**Performance Suspension Kit**

Kit provides optimal suspension performance by enhancing the cornering, straight-line stability and overall handling of the WRX.

Impreza WRX & 2.5RS Sedan (2002-2003):
- B2010FE211DS (Strut Kit-FR)
- B2010FE221DS (Strut Kit-FL)
- B2010FE231DS (Strut Kit-RR)
- B2010FE241DS (Strut Kit-RL)
- B2010FE251DS (Aluminum Arm Kit)
- B2010FE261DS (Stabilizer & Bushing Kit)

---

†For a complete set order one of each component listed under body type.
**Lateral Link Set**
All bushings are replaced with pillow ball (spherical) type joints allowing for smooth and accurate movement of the suspension with enhanced driving stability.

  - ST2025045000
  - ST2027055000

**Trailing Link Set**
All bushings are replaced with pillow ball (spherical) type joints allowing for smooth and accurate movement of the suspension with enhanced driving stability.

  - B0250FE010

**Lateral Link Set**
Made of machined lightweight hollow aluminum. Reinforced rubber rear outer bushings, along with pillow ball (spherical) type joints, which replace the remaining bushings. Provides for significant improvement in rear control, handling response and driving feel.

- **Forester XT, XT Premium, XT Ltd. & Sports** (2004-2008):
  - B0250SA001

**Lower Arm Bar**
Made of lightweight and extremely strong SUS304 tubular stainless steel for lasting durability. The lower arm bar connects the front subframe with the center of the cross member providing improved steering and suspension feel.

  - ST205104S020

**Performance Spring Set**
STI springs are stiffer than stock and lower the vehicle ride height by about 10mm. The lower center of gravity can reduce body roll and result in noticeably improved handling.

- **Impreza WRX STI** (2008-2010):
  - B2010FG200 - Front (2 required)
  - B2010FG300 - Rear (2 required)
- **Impreza WRX** (2008) and Impreza exc. WRX (2009-2010):
  - B2010FG000 - Front (2 required)
  - B2010FG100 - Rear (2 required)

**Performance Spring Set**
Performance Spring Set lowers the WRX Sedan stance approximately 1.4” front, 1.2” rear, resulting in a lower center of gravity, which improves handling performance and vehicle responsiveness. A lower center of gravity helps reduce squat during acceleration, body roll when cornering and excessive nose-dive under braking. Kit includes 2 front and 2 rear suspension springs.

- **Impreza WRX Sedan** (2002-2003):
  - SOA855Z1200

**Performance Spring Set**
STI springs are stiffer than stock and lower the vehicle ride height by about 10mm. The lower center of gravity can reduce body roll and result in noticeably improved handling.

- **Impreza WRX STI** (2008-2010):
  - B2010FG200 - Front (2 required)
  - B2010FG300 - Rear (2 required)
- **Impreza WRX** (2007):
  - B2010FG000 - Front (2 required)
- **Impreza exc. WRX** (2009-2010):
  - B2010FG100 - Rear (2 required)

**Performance Spring Set**
STI springs are stiffer than stock and lower the vehicle ride height by about 10mm. The lower center of gravity can reduce body roll and result in noticeably improved handling.

- **STI Spring – Front**
    - B2010FE500 (2 required)
- **STI Spring – Rear (Sedan)**
    - B2010FE510 (2 required)
- **STI Spring – Rear (Wagon)**
    - B2010FE520 (2 required)
- **STI Spring – Front**
    - ST2033088000 (2 required)
- **STI Spring – Rear**
    - ST2038088000 (2 required)
**Strut Mounts – Front**

Harder rubber construction over stock mounts allows for less strut movement and more responsive steering during extreme driving conditions.

**Strut Mounts – Rear**

Harder rubber construction over stock mounts allows for less strut movement and more responsive steering during extreme driving conditions.

Impreza WRX (2002-2003): **B0310FE010** (RH)

**Suspension Bushings**

Suspension bushings with a stiffer rubber compound replace stock bushings, which helps create a tighter more responsive handling experience.

**Transmission Mount**

Contains a harder rubber compound than stock transmission mount to help minimize transmission movement during extreme conditions, yielding improved shift feel.

Impreza WRX STI (2004-2014): **D1010FE000** (6 M/T)

**Upper Transmission Mount**

Contains a harder rubber compound than stock pitching rod to help minimize engine movement during extreme conditions.

**Motor Mounts**

Contains a harder rubber compound than stock motor mounts to help minimize engine movement during extreme conditions.

**Transverse Link Bushings**

Transverse links with a stiffer rubber compound replace stock links, which helps create a tighter more responsive handling experience.

**STI Trailing Link Bushing**

Impreza (2008-2011): **B0220FG000**

**Rear Trailing Link (Front)**

**Rear Trailing Link (Rear)**

Forester XT, XT Premium, XT Ltd. & Sports (2004-2008): **B0220FE010** (2 required)

**Rear Trailing Link (Front & Rear)**

**Rear Trailing Link (Front-In)**

Forester XT, XT Premium, XT Ltd. & Sports (2004-2008): **B0220FE030** (2 required)

**Rear Trailing Link (Rear-In)**

Forester XT, XT Premium, XT Ltd. & Sports (2004-2008): **B0220FE040** (2 required)

**STI Lateral Link Bushing (Front)**

Impreza (2008-2011): **B0220FG100** (2 required)

**STI Lateral Link Bushing (Rear)**

Impreza (2008-2011): **B0220FG200** (2 required)

**Crossmember Bushing Kit**

Impreza (2008-2011) and Legacy & Outback (2005-2009): **B4100FG000**

**Radiator Support Bushings**

Impreza (2008-2011): **B4510FG000** (Kit includes 4 pieces)

*Impreza WRX (2008-2015) requires (2) nuts per mount. 902380007
**Front Lip Spoiler**
Gives a mean, ground-hugging attitude to the lower front end.

- Impreza WRX (2008-2010): **E2410FG110**
- Impreza WRX STI (2008-2010): **E2410FG120**
- Impreza WRX & STI (2011-2014): **E2410FG140**
- Impreza (2012-2014): **E2410FJ100**

**Under Spoiler - Front**
New! STI Under Spoiler gives the BRZ a mean, ground-hugging attitude. Includes STI logo.

- BRZ (2013-2015): **E2410CA000**

**Under Spoiler - Side**
New! Continue the mean ground-hugging attitude down the rocker panels of the BRZ. Kit includes both left and right side under spoilers. Includes STI logo.

- BRZ (2013-2015): **E2610CA000**

**Under Spoiler - Rear Quarter**
New! Complete the ground-hugging look on the side of the BRZ with the addition of the rear quarter under spoiler. Kit includes both right and left side under spoilers.

- BRZ (2013-2015): **E5610CA100**

**Under Spoiler - Front**
New! STI Under Spoiler gives the WRX and STI a mean, ground-hugging attitude. Includes STI logo.

- Impreza WRX & STI (2015): **E2410VA000**

**Under Spoiler - Side**
New! Continue the mean ground-hugging attitude down the rocker panels of the WRX or STI. Kit includes both left and right side under spoilers.

- Impreza WRX & STI (2015): **E2610VA000**

**Under Spoiler - Rear Quarter**
New! Complete the ground-hugging look on the side of the WRX or STI with the addition of the rear quarter under spoiler. Kit includes both right and left side under spoilers.

- Impreza WRX & STI (2015): **E5610VA100**

**Under Spoiler - Rear**
New! Finish off the overall ground-hugging look with the addition of the rear under spoiler. The final piece of the under spoiler kit is finished in rich metallic silver and includes a STI logo.

- Impreza WRX & STI (2015): **E5610VA100**

**Front Lip Spoiler**
Gives a mean, ground-hugging attitude to the lower front end.

- Impreza WRX (2008-2010): **E2410FG110**
- Impreza WRX STI (2008-2010): **E2410FG120**
- Impreza WRX & STI (2011-2014): **E2410FG140**
- Impreza (2012-2014): **E2410FJ100**
Rear Under Spoiler

Side Under Spoiler
E2610FE200TG (Platinum Silver Metallic)
E2610FE200PG (WR Blue Pearl)
Impreza WRX (2004): E2610FE200VO (Java Black)

Strake Kit
Impreza WRX (2002-2005): E2610FE100WG (Aspen White)
Impreza WRX (2004): E2610FE100VO (Java Black)
Impreza WRX (2005): E2610FE100VW (Obsidian Black Pearl)

Hood Scoop
Increases air flow into the engine compartment, creating efficient cooling of the heated/compressed air passing through the intercooler.
Impreza WRX (2004-2005): 90821FE080NN

Chrome Sport Grille
Unique design adds a custom JDM look to Impreza, WRX and WRX STI.
Impreza (2008-2011) and Impreza 2.5i, 2.5GT, WRX & WRX STI (2008-2010): J1010FG040

Lid Spoiler - STI Limited Style
Adds a stylish performance touch to the rear decklid.
Impreza WRX Sedan (2006-2007): E7210FE900 (Primed)

Rear Bumper Diffuser
Lower rear body panel helps to direct air flow and adds a sculpted finishing touch to the BRZ lower rear body line.
BRZ (2013-2015): E5610CA000

Vortex Generator
Add a stylish look of performance to the WRX or WRX STI 4-door with the Vortex Generator.

Sport Mesh Grille
Bold metal mesh design adds an aggressive look to Impreza WRX and WRX STI. Grille comes pre-painted and ready to install.

Vortex Generator
J1010FG200WG (Aspen White)
J1010FG200EN (Dark Gray Metallic)
J1010FG200RL (Lightning Red)
J1010FG200WV (Obsidian Black Pearl)
J1010FG200WU (Satin White Pearl)
J1010FG200TI (Spark Silver Metallic)
J1010FG200PG (WR Blue Mica)

J1010FG101EN (Dark Gray Metallic)
J1010FG101RL (Lightning Red)
J1010FG101B7 (Marine Blue Pearl)
J1010FG101DJ (Newport Blue Pearl)
J1010FG101U4 (Paprika Red Pearl)
J1010FG101HB (Sage Green Metallic)
J1010FG101WU (Satin White Pearl)
J1010FG101D6 (Sky Blue Metallic)
J1010FG101ITI (Spark Silver Metallic)
J1010FG101MD (Steel Silver Metallic)
J1010FG101G3 (Sunlight Gold Opal)
J1010FG101PG (WR Blue Mica)

Lightweight color-matched ground effects components give the WRX Sedan an aggressive look of performance.
Carbon Fiber Patterned Trim
High-tech carbon fiber interior accent adds a racing flavor to your Subaru. For dash vents, radio bezel and door switches.
Impreza exc. WRX STI (2002-2004): J1310FE120

17” 5-Spoke Pressure Cast Aluminum Wheel††
Impreza WRX (2002-2007):
B3110FE000 (Wheel)
28102AA000 (Valve)
28811FA240 (Cap)
†† 17” wheels require Bridgestone Potenza RE011 size 215/45R-17” tires.

17” BBS® Forged Aluminum Wheel††
Impreza WRX (2002-2007):

17” BBS® Forged Aluminum Wheel††
Helps give the WRX a racier look, improved handling and performance.
Impreza WRX (2002-2007):
28111AE060 (Wheel)
005401073 (Valve)
Carbon Fiber Sill Inserts
Dress up the sill plates with real carbon fiber inserts. Includes SPT logo embedded in the clear coat.

Carbon Fiber Trunk Trim
Give your Impreza 4-door that high-tech look with this carbon fiber accent. The trim piece is made from real carbon fiber and has the SPT logo embedded in the clear coat.
Impreza WRX & STI (2015): J121SVA000

Carbon Fiber B Pillar Set
Continue the high-tech look with the addition of real carbon fiber that includes the SPT logo embedded in the clear coat.

Side Sill Plates
New! Handsome metallic finished panels dress up the sill plates of the WRX. Set of four.
Impreza WRX (2015): E101SVA000

STI Door Sill Plate
Replaces existing sill plates and adds the performance look of STI.
Legacy (2005-2009): E1010AG010

Carbon Fiber Sill Inserts
Dress up the sill plates with real carbon fiber inserts. Includes SPT logo embedded in the clear coat.
SPT Radiator Cap*
High-pressure radiator cap increases pressure rating of cooling system from .9 bar (13.0 lbs.) to 1.3 bar (18.9 lbs.). Allows for more efficient cooling under demanding conditions.

Air Duct Hose*
High-temperature red silicone hose embossed with STI logo. Connects intercooler to intake plenum. Matches STI Radiator Hose Set.
Impreza WRX (2002-2005): ST2183066000

Radiator Hose Set*
High-temperature silicon rubber to withstand the increased rigors of demanding driving. Unlike aftermarket look-alikes, the lower hose features wire construction to help prevent collapsing from negative pressure caused by water temperature change.

Radiator Cap*
Replacement oil cap and battery hold down are manufactured from billet aluminum, anodized in Steel Gray or SPT Blue and laser etched with SPT logos.

Oil Cap and Battery Hold Down v2.1
SOA3881210 (Battery Hold Down-Blue)
SOA3881220 (Battery Hold Down-Gray)
SOA3881250 (Oil Cap-Blue)
SOA3881260 (Oil Cap-Gray)
**Slim License Plate Frames and Marque Plates**

Manufactured from heavy-gauge 304 stainless steel that will not rust or corrode. Available in mirror polish or matte black powder coat. Kit includes hardware hider caps.

**Euro-Style Marque Plates:**
- SOA342L130 (WRX-Stainless Steel)
- SOA342L131 (WRX-Matte Black)
- SOA342L132 (STI-Stainless Steel)
- SOA342L133 (STI-Matte Black)

**Slim License Plate Frames**
- SOA342L104 (Stainless Steel)
- SOA342L105 (Matte Black)

**Front License Plate Bracket**
Stainless steel with black powder coated finish. Includes mounting hardware.
- SOA342L120

**WRX Marque Plates**
- SOA342L106 (Stainless Steel)

**Carbon Fiber License Plate Frames**
Carbon fiber composite license plate frame is hand made with thick resin-impregnated carbon fiber cloth, and is finished in a UV resistant clear coat. Kit includes hardware hider caps.
- SOA342L143 (SPT)
- SOA342L144 (WRX)
- SOA342L145 (STI)

**Carbon Fiber License Plate Frames**
Carbon fiber composite license plate frame is hand made with thick resin-impregnated carbon fiber cloth, and is finished in a UV resistant clear coat. Kit includes hardware hider caps.
- SOA342L142

**License Plate Frames**
Frames are available with a variety of UV resistant polyurethane logos and come in either mirror polish or matte black.

**Valve Stem Caps**
Add a finishing touch to your Subaru. These caps feature “O” ring seals to help keep the valve orifices clean.
- SOA342L134 (WRX)
- SOA342L135 (SPT)
- SOA342L136 (STI)
- SOA342L137 (Subaru Star Cluster)

**Carbon Fiber Key Fobs**
Carbon fiber composite and stainless steel key fobs with leather strap and universal split ring.
- SOA342L138 (Subaru)
- SOA342L139 (STI)
- SOA342L140 (SPT)
- SOA342L141 (WRX)

**Parking Only Signs**
New! Keep your parking spot exclusive for your STI or WRX. Kit includes 8” x 12” sign, mounting screws and hider caps.
- SOA342L148 (STI)
- SOA342L150 (WRX)
- SOA342L151 (BRZ)

**“Subaru” License Plate Frames**
New! Available in polished stainless steel or matte black finish over stainless steel. Includes Subaru logo and name.
- SOA342L152 (Stainless Steel)
- SOA342L153 (Matte Black)
**Stainless Mesh Clutch Hose**

Replaces stock clutch hose and produces a more precise clutch action. Stainless steel mesh covering helps inhibit expansion and distortion of clutch hose.

Impreza WRX (2002-2005): ST372514S000

**Stainless Mesh Brake Hose Set**

Replaces stock brake hoses for a more positive brake pedal feel under heavy braking conditions. Unlike aftermarket look-alikes, hoses are covered with double thread stainless steel mesh which helps inhibit expansion (and distortion) of hoses under severe usage, and with a polyolifine coating to help prevent dust and ice build-up.

Impreza WRX STI (2004-2007): ST265504S000

**Key Plate**

The STI key plate is a stylish and functional accessory that adds a personalized touch to your Subaru.

**Carpeted Floor Mats**

Custom-fitted, heavy-duty 25oz. black carpet with embroidered genuine STI logo. Driver side mat is secured at two points, and includes color-keyed heel pad. Designed exclusively for Impreza models.

**Blue “i” Grille Center Ornament**

Replaces the stock center grille ornament with the distinctive look of the Subaru Blue “i”.

**Side Cowling Stay**

Replaces original stamped steel cowl set with lightweight aluminum alloy that is four times stiffer than original parts. Helps reduce body flex and deformation under demanding driving conditions.

Impreza (2002-2007): ST508664S000

**Fog Lamp Covers**

Metal mesh covers let the light shine through while helping to protect standard driving lights from stones and road debris.

Impreza (2002-2003): ST577104S000 (Black)

**Timing Belt**

Rubber rigidity has been increased over the stock belt. Designed specifically for the higher demands of heavy-duty usage. Some belt noise might occur.

Impreza WRX (2002-2014) and Impreza WRX STI (2004-2011): ST130284S000

**Stainless Mesh**

**Carpeted Floor Mats**

Custom-fitted, heavy-duty 25oz. black carpet with embroidered genuine STI logo. Driver side mat is secured at two points, and includes color-keyed heel pad. Designed exclusively for Impreza models.

### Performance Clutches

#### Clutch Disc – Organic 7.7MM**
Organic friction material provides higher torque and temperature capabilities than stock disc. Some clutch judder may result when clutch is partially engaged. Use only with clutch cover ST302104S000.

#### Clutch Disc – Ceramic Metal 5MM**
Ceramic/metal friction material with higher temperature range and friction coefficient is recommended for competition or off-road use. Clutch judder will be experienced when clutch is half engaged. Use only with clutch cover ST302104S010.

#### Lightweight Flywheel**
(7.2 kg or 15.8 lbs. vs. stock flywheel weight of 8.6 kg or 18.9 lbs.) Machined from high strength chromium molybdenum. Reduced rotating mass of the lighter flywheel allows engine to rev faster. Recommended when replacing stock clutch cover and disc sets.

#### Clutch Disc – 5MM Ceramic/Metallic (w/ Damper)**
Ceramic/metal friction material – recommended for competition or off-road use. Clutch judder will be experienced when clutch is half-engaged. Use only with clutch cover ST3021055000.

*Impreza WRX (2002-2005): ST3010055120*

#### Lightweight Flywheel**
(5.5 kg or 12.1 lbs. vs. 10.5 kg or 23.15 lbs.) Flywheel is machined from high strength chromium molybdenum. Reduced rotating mass of the lighter flywheel allows engine to rev faster. Recommended when replacing stock clutch cover and disc with the STI clutch cover and disc clutch sets.

*Impreza WRX (2002-2005): ST1231055010 (5 M/T)*
