Do what you love, and do it often.

Introducing the 2016 Subaru Forester

The Forester is all about potential. To do what you enjoy with those closest to you and to be there for those that need you. It’s efficient, achieving 32 highway MPG; versatile, with standard Subaru Symmetrical All-Wheel Drive; and roomy, with a large cabin and plenty of cargo room, It’s safe too, having been named an IIHS Top Safety Pick for nine years running (2007-2016).

1. EPA-estimated fuel economy for 2016 Forester 2.5i CVT at 24 highway MPG. Actual mileage may vary. 2. Based on IRS Automotive, Pink Book. 3. Vehicle in Operation is at below 10% of registrations in the Non-Luxury Compact CUV segment for MY2014-2015 as of September 2016. 4. Always wear seatbelts. Children should be properly restrained in the rear seat. 5. EyeSight is a driver-assist system which relies on the capability of its forward-facing infrared, visible light and radar cameras to detect various aspect of the driving environment and help support the driver’s awareness and decision-making. You always need to remain attentive to the road and driving conditions. 6. Starlink allows you to access various services through your vehicle including: AT&T Wi-Fi Hotspot (where available), news, weather, music, entertainment, information and remote services. Services vary and subject to change. 7. Vehicle video and audio source must be off to use the wireless phone connectivity feature. 8. Certain Restrictions Apply. For complete details visit subaru.com/starlink. 9. Vehicle video and audio source must be off to use the wireless phone connectivity feature. 10. Printer must be connected to vehicle prior to activation of the feature. 11. In order to use the available Eyesight® Driver Assist Technology, the available Starlink™ Safety and Security connected services, and available Wireless Car Hotspot, a Wi-Fi® connection and a compatible device are required. 12. Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light.

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

1 Exterior Auto-dimming mirrors with Approach Light are accessory equipment. Requires Subaru Auto-dimming Rearview Mirror accessory.
Refined Interior

There’s a lot to enjoy in the new Forester like an available large panoramic moonroof to give everyone a wide-open feeling and the all-new STARLINK™ Safety & Security connected services that can promptly send first responders when an airbag deploys, help police locate your vehicle if it’s stolen, and more. STARLINK™ in-vehicle technology also gives you instant access to music, maps, news and text messages through the touchscreen or voice commands without ever touching your phone.

There’s a standard 4.3-inch, full-color multifunction display, with info on vehicle settings as well. A standard Rear-Vision Camera also displays on the audio system screen to help you safely reverse, while the available touchscreen navigation system is there to help you find your way.

Lots of room for lots of possibilities.

1 Activation and required subscription sold separately. Includes one year trial subscription. For mobile applications, 3G/4G network service, Wi-Fi, GPS, Bluetooth®, iPod®, and iPhone® are required (sold separately). SmartDeviceLink is a trademark of Mitsubishi Motors North America, Inc. 2 Compatible smartphone and applications required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.
An extra set of eyes every time you drive.

The 2016 Forester is an IIHS Top Safety Pick for nine years running (2007–2015) and a 2016 Top Safety Pick+ with the optional EyeSight® Driver Assist Technology.

---

**Pre-Collision Braking**

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

**Pre-Collision Throttle Management**

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

**Adaptive Cruise Control**

Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

**Lane Departure and Sway Warning**

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane.

---

1 EyeSight® is a driver assist technology which may not detect every object under all conditions. The driver is always responsible for safely and attentively driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See owner’s manual for complete details on system operation and limitations. Please remember to turn off EyeSight® when going through a car wash.

A turbocharged taskmaster.

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a turbocharged, direct-injected SUBARU BOXER® engine with 250 hp and standard Subaru Symmetrical All-Wheel Drive, achieving 28 highway MPG. This advanced engine is mated to a high-torque Lineartronic® CVT with paddle shifters and 6- and 8-speed manual modes, to help ensure peak MPG, while keeping things fun behind the wheel.

Pumping out that extra rush the way you want it, standard Subaru Intelligent Drive (SI-DRIVE) includes three distinctive performance modes that customize engine response at the push of a button. A large, panoramic moonroof gives everyone aboard a great view of the sky, while its aggressive looks and large 18-inch wheels reveal the Forexer side of the Forester 2.0XT.

1 EPA-estimated fuel economy for 2016 Forester 2.0XT at 28 highway MPG. Actual mileage may vary.
2 beep-beep notice mode with 30°-120°, Sport Sharp (left) setting.
“At 32 mpg highway the AWD Forester delivers better fuel economy than even some two-wheel-drive competitors.”

Subaru Badge of Ownership

The commitment shines through. For Subaru owners, it shows in keypad scuffs and scratchboard scratches. It can take the form of dog hair that just won’t come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership helps show their contribution to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and tell everyone how they experience the world. Which one will you get?
