2016 Legacy

Legacy. It’s not just a sedan. It’s a Subaru.
Introducing the 2016 Subaru Legacy

Confidence and trust are their own kind of freedom in the new 2016 Legacy, the longest-lasting midsize sedan in its class.1 Considering that 95% of all Subaru Legacy vehicles sold in the last 10 years are still on the road today,1 it’s no surprise that this is a car that was built to last. What makes it so different? It’s the capability of standard Subaru Symmetrical All-Wheel Drive (AWD), the efficiency of 36 highway MPG,2 and the assurance of an outstanding safety reputation. Legacy. It’s not just a sedan. It’s a Subaru.

Efficient
AWD + 36 MPG? The new Legacy gets great fuel economy and is as capable as ever, with standard Subaru Symmetrical AWD. Its Lineartronic® CVT also ensures you’ll get optimal MPG out of its SUBARU BOXER® engine.

Engaging
Not much stands in your way with Subaru Symmetrical AWD. The ride feels confident, controlled and definitely engaging. Its Active Torque Vectoring also delivers sharp handling and its precision-tuned steering and suspension makes for an especially responsive ride.

Roomy
With its class-leading passenger room,3 the 2016 Legacy is comfortable for all aboard. Plus a refined interior with advanced technology will give you plenty to enjoy. It’s also remarkably quiet inside, thanks to excellent aerodynamics, insulation and stiff frame.

Safe
The available EyeSight® Driver Assist Technology warns you of trouble and can intervene to help you avoid it, while Rear Cross-Traffic Alert helps in parking situations. There’s also Blind-Spot Detection4 to help alert you to approaching vehicles and SUBARU STARLINK™ in-vehicle technology with all-new Safety and Security connected services to help keep you and your Subaru safe and sound.6

Legacy 2.5i Limited in Twilight Blue Metallic with optional equipment.
Legacy 3.6R

This Legacy was designed to please. The Legacy 3.6R has been engineered to be efficient at 29 highway MPG\(^1\) and pumps out 256 hp with standard Subaru Symmetrical AWD. Standard HID headlights, 18" alloy wheels, leather-trimmed seats and a 7" high-resolution touchscreen also give the 3.6R a more refined feel.

\(^1\) EPA estimated fuel economy for 2016 Legacy 3.6R at 29 highway MPG. Actual mileage may vary.
At ease. In control.

Legacy 3.6R Limited with Slate Black Leather and optional equipment.

Auto-dimming Mirrors with Approach Light
Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light. When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle. They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

Not Dimmed

Refined Interior
From rich materials to advanced technology, this inviting interior keeps you comfortable and well connected. An available 576-watt equivalent premium audio system with 12 Harman Kardon speakers will keep you entertained in the quiet cabin. There’s also the SUBARU STARLINK™ in-vehicle technology offering nearly unlimited entertainment options and now all-new Safety and Security connected services with Automatic Collision Notification, Stolen Vehicle Recovery, and more to help keep you and your Subaru safe and sound. Available rear climate control vents and rear heated seats keep things cozy in back as well, while driver’s seat memory offers added convenience up front.

1 Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details.
Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light.\(^1\)

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

\(^1\) Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror.
Settling into this space is anything but settling.

Class-leading Interior Room

The inviting cabin of the 2016 Legacy offers 104.6 cubic feet of space, putting it at the top of its class for cabin room and ensuring that driver and passenger alike can ride in comfort.

1 Based on manufacturer-reported interior volumes according to the EPA’s midsize car class as of April 10, 2015.
2 Without available moonroof.
An extra set of eyes every time you drive.

- Insurance Institute for Highway Safety (IIHS)

EyeSight®

- Adaptive Cruise Control
- Lane Departure and Sway Warning with Lane Keep Assist
- Pre-Collision Braking
- Pre-Collision Throttle Management
- Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.
- You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and can even help steer you back into your proper course, thanks to the newest feature from EyeSight®—Lane Keep Assist.
- A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.
- If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Legacy 2.5i Limited in Ice Silver Metallic with optional equipment.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash.
Better at what Subaru does best.

All-new Safety Features

We found a way to make the 2016 Legacy even better at protecting our owners and their vehicles with the all-new STARLINK™ Safety and Security connected services. There are standard features like a Rear-Vision Camera and eight airbags as well, plus exceptional AWD capability to help ensure you’ll have control, even in unfavorable weather. There are also available features like Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert to offer extra help when you need it.

1 Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details. 2 Always wear seatbelts. Children should be properly restrained in the rear seat. 3 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.

STARLINK™ Safety and Security

Instant access to help when you need it most 24/7, 365 days a year. That’s the reassurance of the all-new STARLINK™ Safety and Security connected services that can promptly send first responders when an airbag deploys, help police locate your vehicle if it’s stolen, and more.

1 Activation and required subscription sold separately. Includes one year trial subscription. See your retailer for details.
The 2016 Subaru Legacy earned the highest possible front crash prevention rating by IIHS when equipped with Subaru EyeSight.1

“At 36 mpg highway, the AWD Legacy delivers better fuel economy than even some two-wheel drive competitors.”2

“The best-selling AWD sedan in America for the past 10 years.”3

2016 Legacy

Rear Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Trunk Trap. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out.

Splash Guards. Help protect the vehicle’s paint finish from stones and road grime. This accessory reduces vehicle ground clearance.

Fog Lights. Cast a low and wide beam of light to enhance vision in inclement weather.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Auto-dimming Mirror with Compass and HomeLink®. Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

Remote Engine Start. Allows vehicle to be started by pushing a button from the convenience of home or office up to 400 feet away (depending on obstructions) so that the vehicle’s interior is more comfortable upon arrival depending on obstructions. Includes up to 50 remote engine starts.

Remote Engine Start—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to have the vehicle’s interior at the desired temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access with Push-button Start system. Operating distance is up to 30 feet depending on obstructions.

All-weather Floor Mats. Custom-filled, heavy-gauge protective mats help protect vehicle carpet from sand, dirt and moisture. Not painted for use on top of carpeted floor mats.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Pretax, Prehanded, and Preprinted: "We are committed to building a lasting, rewarding relationship with you and the world we share. We strive by building our vehicles to last—40% of all the vehicles we’ve sold in the last 10 years are still on the road today. We also share your desire for a cleaner, greener world. Select 2016 Legacy 2.5i models achieve Partial Zero Emission Vehicle—PZEV®—status, because of their exceptionally low emissions. What’s more, in 2014, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to achieve zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Cherry Hill, NJ.

2016 Legacy

Protecting Your Investment

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Optional Extended Protection—ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years on 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru, and because we’ve been backing them for more than 30 years, they’re agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

True commitment shows through. For Subaru owners, it shows in heaped scoops and wrinkle-free clothes. It can take the form of dog hair that just won’t come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lists from above their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?

2016 Legacy

Durability

Warranties

New Car Limited Warranty 3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty 5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty 3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:

• Brake Pads
• Wiper Blades
• Clutch Linings
• Transmitter Batteries

Rust Perforation Limited Warranty 5 years, unlimited mileage.

24-hour Roadside Assistance 3 years or 100,000 miles, whichever comes first.

Responsibility. Reliable. Ready to join the family.

At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We strive by building our vehicles to last—40% of all the vehicles we’ve sold in the last 10 years are still on the road today. We also share your desire for a cleaner, greener world. These brochures were printed with vegetable-based inks and produced using a "Green Printing Process". The Forest Stewardship Council (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world’s forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 58 trees preserved for the future; 27,193 gallons of wastewater flow saved; 1,821 lbs solid waste not generated; 5,014 lbs net greenhouse gases prevented; 27,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2015 Subaru of America, Inc. 16LEG.SRB.525 (S-17103, 125K, 7/15, CG)
