WRX / WRX STI

The best-handling, best-performing WRX and WRX STI ever.
The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, the WRX has an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow ball joint mounts, and a double-wishbone rear suspension with pillow ball bushings. Aided by its sticky Dunlop® Sport Maxx RT tires, the WRX achieves a remarkable 0.96g of lateral grip. Add Subaru Symmetrical All-Wheel Drive, and you’ve got a recipe for world-class handling performance.

Having excellent grip is only one half of the handling equation. The other half is the driver’s sensation of control and precision, which the WRX delivers with a quick 14.4:1 steering ratio, and the cornering poise provided by Active Torque Vectoring. Add in available 18-inch wheels with inverted front struts for even less unsprung weight and more cornering response.

It was voted “one of Ward’s 10 Best Engines of 2016” for good reason—its 268-hp 2.0-liter direct-injection twin-scroll turbocharged SUBARU BOXER® engine makes power smoothly, efficiently, and instantaneously. Matched to either the traditional 6-speed manual transmission or the Sport Lineartronic™ transmission with SI-DRIVE and paddle shifters, the WRX engine is a modern engineering marvel.

The WRX backs up its potent performance features with appropriately robust safety measures. With a standard Rear-Vision Camera, and available Blind-Spot Detection and Rear Cross-Traffic Alert, the WRX received a 2016 IIHS Top Safety Pick+ rating when equipped with optional EyeSight® Driver Assist Technology. Performance and safety don’t have to be mutually exclusive.
The WRX STI is laser-focused on handling with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight, an attribute further enhanced by the available lightweight BBS® wheels. The standard Dunlop® Sport Maxx RT tires help the WRX STI achieve monstrous grip—0.97g to be exact. And it’s all underpinned by Subaru Symmetrical AWD with Driver Controlled Center Differential (DCCD), dual limited-slip differentials, and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

The WRX STI driving experience is a synergy between driver and car that’s all too rare. You’ll feel an invigorating sense of control, thanks to the ultra-quick 13.3:1 steering ratio, rigid unibody chassis and powerful Brembo® high-performance braking system, which helps you stop with authority. For more stability at higher speeds, the WRX STI’s signature rear wing adds downforce for added control.

It’s a potent, race-proven package—a 305-hp 2.5-liter turbocharged SUBARU BOXER® engine coupled with a precise and durable 6-speed, close ratio transmission and SI-DRIVE for on-the-fly performance adjustments. Invigorating horsepower and addictive torque are always on tap, rocketing the WRX STI to a 0-60 time of just 4.6 seconds. 1

Based on Motor Trend testing of 2015 WRX STI. March 2014.

For more than two decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, enhancing performance through engineering that inspires confidence in drivers. Their holistic approach to performance results in vehicles that are more communicative, responsive, and easier to drive in more demanding situations.

It bites. It turns in. This is a Porsche 911 fighter for a third of the price. Oh, and one of the best cars you can buy today.”

— Jalopnik.com, April 2014

WRX STI in Crystal White Pearl.
A new level of refinement and comfort.

Every drop of blood, sweat, and tears that went into the WRX would all be in vain if drivers and passengers weren’t well taken care of. As a standard feature, SUBARU STARLINK™ gives you easy access to Pandora®, iHeart® Radio, Stitcher™ and Aha™, and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones. It'll read and display incoming texts and you can control it easily with voice commands, steering-wheel-mounted controls or the high-definition touchscreen, and it’s also compatible with Siri® Eyes-Free for even more convenience. Dial up the entertainment even more with the available 440-watt equivalent premium audio system with 9 Harman Kardon® speakers.

Comfort and control from entry to apex.

The racer’s touch is apparent when you settle into the bolstered, WRX STI-exclusive Alcantara®-lined performance-design front seats and grip the leather-wrapped flat-bottom sport steering wheel, grab the shift knob and get ready to go. For such a serious performance car, you may be surprised to know the WRX STI has class-leading cargo space, as well as standard SUBARU STARLINK™ for easy access to Pandora®, iHeart®, Stitcher™ and Aha™, and connects via Bluetooth® or a USB port to both Android™ and Apple® smartphones.¹
An everyday sports car.

Compromises are few, thanks to a 12 cubic-foot trunk, 60/40 split-folding rear seatbacks, expansive rear legroom, and widened door openings. It's a commuter, an errand-runner, and a track-day weapon, all wrapped into one. Leave your dedicated sports car in the garage. Park the truck. Put your trailer in storage. This one can do it all.

*We do not recommend drag or door vehicle racing. Racing may void the vehicle warranty. See Warranty Maintenance Booklet for details. If you do drag-race your vehicle, do so safely and lawfully on approved racing tracks. Drive responsibly at all times and obey all traffic laws.
“The Subaru WRX is the longest-lasting turbocharged AWD in its class.”

Kelley Blue Book’s KBB.com named the 2016 Subaru WRX Best Resale Value in its class.2

“IHS Automotive
S-18268_17WRXSTIb_08-09_r4.indd   8 4/15/16   6:56 AM

Kelley Blue Book’s KBB.com, 2016

“The WRX STI has assisted the Subaru Rally Team USA to 9-Time Overall Rally America Championship wins.”

Kelley Blue Book’s KBB.com, 2016

“While the automatic transmission civilizes the 2016 Subaru WRX a little, make no mistake: This car is still focused on performance like few others.”3

Kelley Blue Book’s KBB.com, 2016

2017 WRX & WRX STI | Trim Levels

WRX

- 268-hp twin scroll turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels
- Low profile trunk spoiler
- Cloth upholstery
- Leather-wrapped flat-bottom steering wheel
- SUBARU STARLINK® 6.2” Multimedia system with Pandora® Radio, Stitcher® and Aha™ smartphone app integration, high-resolution LCD touchscreen display, voice-activated controls, Star Eye-View, AM/FM/CD player, HD Radio® with iTunes® tagging capability, USB port/Phone control, SiriusXM® Satellite Radio® Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Sport-design electro-luminescent gauges with 3.5-inch LCD display
- 4.3-inch color multifunction display
- Automatic climate control
- Rear Vision Camera
- 7 airbags

WRX STI

- 305-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver Controlled Center Differential (CCD) All-Wheel Drive

### 2017 WRX & WRX STI | Specifications

#### Engine and Drivetrain

<table>
<thead>
<tr>
<th>Power</th>
<th>Torque</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.0-liter DOHC direct-injected, intercooled, turbocharged, aluminum-alloy 4-cylinder horizontally opposed SUBARU BOXER engine with Dual Active Valve Control System (EAVCS), 288 hp @ 5,600 rpm</td>
<td>258 lb-ft @ 2,000-5,200 rpm</td>
</tr>
</tbody>
</table>

#### Intake System

- Twin-scroll turbocharger with intercooler.
- Maximum boost pressure: 14.7 psi.

#### SI-DRIVE performance management system

- Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and by fine-tuning the electronically controlled throttle. For WRX models equipped with Sport Lineartronic™ Transmission, SI-DRIVE also adjusts transmission shift characteristics.

#### Transmission

- Fully synchronized close-ratio 6-speed manual with Incline Start Assist.
- Sport Lineartronic™ Transmission with 6- and 8-speed manual modes, paddle shifters and Incline Start Assist. WRX Premium and WRX Limited: Optional.

#### Traction and Stability

- All-Wheel Drive type: Symmetrical All-Wheel Drive
- Driver Controlled Center Differential (DCCD): All-Wheel Drive

#### Vehicle Dynamics Control (VDC)

- VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power to the inside front wheel to help return the vehicle to the intended path.

#### Active Torque Vectoring

- Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.

#### Traction Control System (TCS)

- VDC also incorporates an all-wheel, all-speed traction control system that, when sensing a loss of traction, reduces engine torque and applies braking force to the slipping wheel or wheels so necessary to maintain vehicle-motion.

#### Fuel

2017 WRX & WRX STI

2017 WRX & WRX STI | Accessories

Auto-dimming Mirror with HomeLink® These ultra-dimming auto-dimming mirrors detect glare and dim automatically to protect your vision, while featuring an 8-point digital compass. Three backlight HomeLink® buttons can be programmed to operate most garage doors, security gates, home-lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Vortex Generator: Add a stylish look of performance to the WRX or WRX STI with the Vortex Generator.

Sill Plate Dress Up Panels: Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

STI Front Under Spoiler: STI Front Under Spoiler gives the WRX and WRX STI models a mean, ground-hugging attitude.

10-inch Powered Subwoofer: Provides powerful, deep bass, and also assists in clear sound reproduction from all vehicle speakers. This is achieved by its integrated 1500W Amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru America by Kicker.® Exclusive model equipped with Harman Kardon® speaker system.

Body Side Moldings: Color-matched moldings help protect the vehicle’s doors from parking lot dings while attractively blending with the lines of the car.

Rear Cargo Tray: Helps protect cargo area from dirt and spills. Can be easily removed and reassembled.

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com

2017 WRX & WRX STI | Owner Benefits

Protecting Your Investment

Subaru Badge of Ownership

Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles, so if you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away and you protect you over the long haul; we offer Added Security® – ask for it by name – extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles, and then they rely on the mechanical and maintenance plans backed by Subaru, and because we’ve been backing them for more than 30 years, they agree you can trust. Your retailer has full coverage details.

Durability

It’s not disposable. It’s family.

Life moves fast. Don’t slow it down with a car you can’t trust. At Subaru, we build each of our vehicles with the highest standards of manufacturing, and with designs that are inherently tough and reliable. It’s why our vehicles excel in the extreme rigors of rally racing. And why 96% of all vehicles sold in the last 10 years are still on the road today. It’s also why Subaru owners are so likely to stay Subaru owners for years and years. What’s more, keeping cars on the road means they stay out of landfills longer. And if we can make the world a cleaner and greener place while making cars that inspire and motivate their drivers, we’ve done our job.

Warranties*

New Car Limited Warranty
3 years or 36,000 miles, whichever comes first.

Powertrain Limited Warranty
5 years or 60,000 miles, whichever comes first.

Wear Item Limited Warranty
3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Brake Rotors
- Clutch Linings
- Transmitter Batteries

Rust Perforation Limited Warranty
5 years, unlimited mileage.

24-hour Roadside Assistance
3 years or 36,000 miles, whichever comes first.

* Requires Sport Lineartronic™ Transaxle. Not available on base WRX trim. 12/2017 EPA fuel-economy ratings. Actual mileage may vary. 1 Available only with other features. See Optional Equipment listing. 2 Comparative ratings are subject to change. Required for application to operate; exact version of wash application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Auto-dimming Mirror with Homelink®

This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision, while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Side Sill Plates.

Handsome, metallic-finished panels dress up the sill plate area of the WRX models. Set includes four pieces.

All-weather Floor Mats.

Custom-fitted, heavy-gauge floor mats help protect the vehicle carpet from sand, dirt and moisture. Not intended for use on top of Carpeted Floor Mats.

STI Front Under Spoiler.

STI Front Under Spoiler gives the WRX and WRX STI models a mean, ground-hugging attitude.

Body Side Moldings.

Color-matched moldings help protect the vehicle’s doors from parking lot dings while attractively blending with the lines of the car.

Vortex Generator

Add a stylish look of performance to the WRX or WRX STI with the Vortex Generator.

Upgraded Speakers.

Enhance the sound clarity of your vehicle’s audio system with these high-efficiency, two-way speakers manufactured for Subaru by Kicker®. They have quality-constructed injection-molded Poly cones with 20mm silk dome tweeters and a frequency response rated at 30hz to 22khz.

10-inch Powered Subwoofer

Provides powerful, deep bass, and also assists in clean sound reproduction from all vehicle speakers. This is achieved by its integrated 100W amplifier and a passive crossover network. The self-contained unit mounts in the trunk. Manufactured for Subaru of America by Kicker®. Excludes models equipped with Harman Kardon® speaker system.

STI Performance Exhaust Systems.

These exhaust systems feature smooth mandrel bend construction to help reduce exhaust flow restriction.

STI Short-throw Shifter.

Significantly reduces shift throw lengths for crisper shifts and sportier driving feel. WRX STI Shifter shown. Also available on all WRX 6MT models.

Door Edge Guards.

Help protect your door edges from dings and dents with custom-fit, body-color-matched Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Rear Cargo Tray.

Helps protect cargo area from dirt and spills. Can be easily removed and rinsed clean.

2017 WRX STI Accessories

For a complete list of available accessories visit your local Subaru retailer or visit www.subaru.com

2017 WRX Sport Package

Take your WRX to the next level.

Give your WRX an exclusive, custom look. The available WRX Sport Package includes four STI 15-spoke black-finish alloy wheels, an STI performance exhaust system, STI short-throw shifter, and an STI shift knob made of high-quality aluminum and leather.
