Presenting the all-new 3-row Subaru Ascent. **Love is now bigger than ever.**
When you're ready for life's next big adventure, the all-new 2019 Ascent™ is ready to take you to new heights. It's the largest and most versatile Subaru ever, with three rows and seating for up to eight.¹ It's packed with advanced technologies, from active safety systems to entertainment features. And you'll always drive with confidence, thanks to legendary Subaru quality, durability and reliability.

The Ascent is designed to give you peace of mind when you're behind the wheel. It features standard Subaru Symmetrical All-Wheel Drive while delivering up to 27 highway MPG,² and it can tow up to 5,000 lbs.³ And thanks to 8.7 inches of ground clearance and standard X-MODE® with Hill Descent Control, you can reach even more destinations.

We know how much safety means to you, and that's why EyeSight® Driver Assist Technology⁴ comes standard on every Ascent. The new Smart Rear-View Mirror and 180-Degree Front Camera are available to enhance your vision,¹ while Blind-Spot Detection and Rear Cross-Traffic Alert¹ help make you even more aware of your surroundings. Plus, the newly updated SUBARU STARLINK™ Safety and Security with Advanced Automatic Collision Notification is available and can send help when you need it most.⁵

From every seat in the Ascent, a connection is always there, thanks to built-in 4G LTE Wi-Fi capability¹ and up to eight USB ports.¹⁶ And SUBARU STARLINK™ Multimedia with standard Apple CarPlay™ and Android™ Auto integration makes it easy to access all your favorite music and apps via a 6.5- or 8-inch touchscreen.¹

Our strong new Subaru Global Platform helps give the Ascent long-lasting durability, thanks in part to its increased rigidity and high-strength steel. And because 97% of Subaru vehicles sold in the last 10 years are still on the road today,¹⁹ you can be confident that your Ascent is more than ready for the long road ahead.

¹ Availability varies by trim level. See your retailer for details. ² EPA-estimated highway fuel economy for Ascent and Ascent Premium models with standard equipment at 27 highway mpg. Actual highway mileage will vary with driving conditions. ³ Maximum towing capacity varies by trim level. Trailer brakes may be needed. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror, and X-MODE may not function properly during towing. See your retailer for details. ⁴ EyeSight is a driver assist technology which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations. ⁵ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing, and are not substitutes for safe and attentive driving. ⁶ Accessory subscription-based service that includes a low monthly subscription fee to stay up to date with the latest features and services. ⁷ Internet access is subscription-based service through KAT with monthly per gigabyte, and unlimited data options available. Existing KAT customers have the option to add an additional line to their KAT Ultimate Plan. ⁸ Automatic Collision Notification is available and can send help when you need it most. ¹⁰ Based on in-vehicle U.S. sales in operations, from new vehicle registrations 01/01/2011 through December 2011.

Ascent Limited in Tungsten Metallic with optional equipment.
Fits a lifetime of memories.

Three rows. Seats 7 or 8.

With up to 153.3 cubic feet of passenger space¹ and a multitude of seating options, the three-row Ascent welcomes everyone. Available second-row captain’s chairs² give you easy access to the third row while seating up to seven. Or you can select the second-row bench, which offers seating for up to eight! No matter the configuration, the inside of the Ascent is where the journeys—and the great stories—begin.

¹ With available panoramic power moonroof.
² Availability varies by trim level. See your retailer for details.

Ascent Limited with Warm Ivory Leather and optional equipment.
The largest, most versatile Subaru ever.

The Ascent is designed to adapt to the size and shape of your journey, whether it’s an everyday errand or a special weekend outing. Its two rows of 60/40-split flat-folding seats allow for a wide range of cargo and seating configurations. There’s also up to 86.5 cubic feet of cargo space, plus under-floor storage, if you need it. And thoughtful details like a Power Rear Gate, standard raised roof rails and 19 cup and bottle holders mean the Ascent can take on whatever your day demands.

1 86.0 with available panoramic power moonroof.
2 Availability varies by trim level. See your retailer for details.

Right-sized for **your day as well as your destination.**
Vast comfort.

Ascent Touring with Java Brown Leather.
Pre-Collision Braking
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Ascent.

Adaptive Cruise Control
Traffic doesn’t always flow smoothly, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps your Ascent automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist
You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

Pre-Collision Throttle Management
This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Ascent in Drive instead of Reverse.

Every Ascent includes standard EyeSight® Driver Assist Technology.1
EyeSight® reduces rear-end crashes with injuries by 85%.2

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations. 2 Based on data from 2013–2015MY Subaru models equipped with EyeSight through 2014. From an Insurance Institute of Highway Safety report published January 2016.
Blind-Spot Detection

Using radar sensors, Blind-Spot Detection1,2 warns you with a visual indicator on your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert1,2 uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking1,3 can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Ascent to a stop should an object be detected within its range and the driver fail to act. There’s also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK™ Safety and Security

The all-new Ascent features the latest STARLINK™ Safety and Security1 system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. And to get you started, new Ascent drivers enjoy a free three-year STARLINK™ Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.
“Are we there yet?” said no one.

More ways to bring passengers together.

Family time is quality time, and the Ascent helps make it exceptional. STARLINK™ Multimedia with standard Apple CarPlay™ and Android™ Auto integration connects you to all your music and apps through a 6.5- or 8-inch touchscreen. Thanks to built-in 4G LTE Wi-Fi capability¹,² and up to eight USB ports¹,³ throughout the cabin, it’s easy for passengers to stream their favorite content and keep all of their devices charged and connected. The available TomTom®-powered navigation system with three years of free map upgrades keeps you on the right path.¹ And the available Harman Kardon® 792-watt-equivalent, 14-speaker premium audio system offers a crisp, authentic listening experience.¹

Every journey in the Ascent is the perfect combination of high tech and low stress. At 54 inches, the available panoramic moonroof¹ is the largest ever offered on a Subaru, bathing the cabin in soothing, natural light. There are three separate climate control zones, including air vents in each row. And heated and ventilated front seats,¹ second-row heated seats,¹ and rear-seat climate controls¹ are all available so you can customize the level of comfort in each row.

The latest STARLINK™ Safety and Security¹,⁴ system includes all-new Remote Engine Start with Climate Control! Accessible via your smartphone, it can help ensure your Ascent is ready and comfortable. There’s also the new STARLINK™ Concierge service for personal assistance with tasks like navigation, restaurant reservations and scheduling service appointments.²

¹ Availability varies by trim level. See your retailer for details. ² Internet access is purchased separately through AT&T with monthly, per-gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan. ³ Accessory equipment required. See your retailer for details. ⁴ A 3-year trial subscription to STARLINK Safety Plus and a 6-month trial of STARLINK Security Plus will be offered on new and Certified Pre-Owned vehicles during the introductory period. STARLINK plans can be purchased with annual or monthly terms and a credit card is required to be kept on file for specific packages and renewal purposes. See your retailer for details. ⁵ Requires Keyless Access with Push-Button Start. See your retailer for details.
Memories are made on outings like these, and the Ascent is engineered to get you there. It features standard Subaru Symmetrical All-Wheel Drive and an all-new Direct-Injection Turbocharged (DIT) SUBARU BOXER® engine that gets up to 27 highway MPG and delivers 260 hp and 277 lb-ft of torque. The Ascent can tow up to 5,000 lbs., boasts 8.7 inches of ground clearance, and offers standard X-MODE® with Hill Descent Control. That dream trip is now more real than ever.
The best-selling all-wheel drive cars in America for the past 10 years.

<th>Traction and Stability</th>
<th>Ascent</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>All-Wheel Drive type</strong></td>
<td>Subaru Symmetrical All-Wheel Drive</td>
</tr>
<tr>
<td><strong>X-MODE®</strong></td>
<td>X-MODE® optimizes engine output and transmission ratios, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low-friction surfaces.</td>
</tr>
<tr>
<td><strong>Hill Descent Control (HDC)</strong></td>
<td>X-MODE® also incorporates Hill Descent Control that helps to maintain a consistent vehicle speed when traveling downhill, enhancing vehicle control.</td>
</tr>
<tr>
<td><strong>Vehicle Dynamics Control (VDC)</strong></td>
<td>VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver’s intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.</td>
</tr>
<tr>
<td><strong>Active Torque Vectoring</strong></td>
<td>Active Torque Vectoring works in tandem with VDC to apply braking power to the front wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.</td>
</tr>
<tr>
<td><strong>Traction Control System (TCS)</strong></td>
<td>VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain traction and applies braking force to the slipping wheel or wheels as necessary to maintain intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.</td>
</tr>
<tr>
<td><strong>Trailer Stability Assist</strong></td>
<td>Trailer Stability Assist senses any unsafe yaw conditions and automatically applies braking to specific wheels to help driver maintain vehicle control.</td>
</tr>
</tbody>

### Exterior
- Projector beam low-beam and multi-reflector high-beam halogen headlights
- Usb-recessed respecsive message \- right-hand assist
- Usb-right lights
- Black side mirrors
- Body-color side mirrors
- Easy-clean side mirrors with integrated turn signals
- Satin chrome side mirrors with integrated turn signals
- Chrome door handles
- Green glass grille
- Heated side mirrors and adjustable sport in the (All-Weather Package)
- Panoramic moonroof (100% UV light reducing)
- Ivory woodgrain-patterned trim on dash and doors

### Seating and Trim
- 2-way manually adjustable driver's seat; 4-way manually adjustable front-passenger's seat
- 8-way power adjustable driver's seat
- 10-way power adjustable driver's seat with 2-position memory, power adjustable lumbar support and adjustable thigh support
- 6-way power adjustable front-passenger's seat
- Heated front seats (Hi Refinish Package)
- Heated front and rear seats (Hi Refinish Package)
- Heated front seats
- Heated steering wheel
- Flat-folding second- and third-row seatbacks
- Weather-wrapped steering wheel and sun visors
- Cloth upholstery
- Split-reclining cloth upholstery
- Leather-trimmed upholstery
- Ivory carbon rear-paints interior accent trim on seat and doors
- Ivory weather interior accent trim on seat and doors
- Woodgrain-patterned accent trim

### Convenience Features
- Keyless Access with Push-Button Start and PIN-code vehicle access
- Power Rear Gate with height memory functions
- Auto-dimming rearview mirror
- Auto-dimming rearview mirror with Homelink
- Blind-spot detection with Lane Change Assist and Rear Cross-Traffic Alert
- Rear child-safety locks
- Sunroof

### Audio System
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay,™ Android™ Auto, Pandora® and Aha™ smartphone app integration
- SUBARU STARLINK™ cloud-based applications, including "Hey SUBARU®" voice control, "Hey SUBARU®" Amazon Alexa Integration, Apple CarPlay®, Android Auto™, Siri Eyes Free™, SiriusXM® All Access Radio™, and more.
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay,™ Android™ Auto, Pandora® and Aha™ smartphone app integration
- SUBARU STARLINK™ cloud-based applications, including "Hey SUBARU®" voice control, "Hey SUBARU®" Amazon Alexa Integration, Apple CarPlay®, Android Auto™, Siri Eyes Free™, SiriusXM® All Access Radio™, 4 USB ports for devices, Bluetooth® audio streaming and hands-free phone and text messaging, and 6.3-inch auxiliary jack

### Climate Control
- Front automatic temperature control system with controls for temperature, fan speed, airflow direction, three-zone temperature synchronize function, CFC-free air conditioning and air vents for all three rows
- Rear-zone climate controls

### Safety
- Frontal collision warning and emergency braking
- Rear collision impact mitigation and emergency braking
- Steering lithium-ion battery with 3.5-mm auxiliary jack
- Automatic high-beam assist
- Dual front and second-row USB ports
- Heated steering wheel
- Ventilated front seats
- Driver's and front-passenger's auto-up/down power windows
- Driver's knee airbag (SRS)

### Optional Equipment
- Power Rear Gate with height memory and IIHS Access with Push-Button Start
- Auto-dimming rearview compass mirror with Homelink
- Reverse Automatic Braking
- Driver's and front-passenger's front airbags (SRS)
- Driver's knee airbag (SRS)
- 180-Degree Front Camera
- Vehicle Dynamics Control (VDC) with Traction Control System and Trailer Stability Assist
- Woodgrain-patterned accent trim

### Instrumentation
- Reading speedometer: American: constant speedometer and fuel level gauges; LCD color screen displaying vehicle functions.
For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

To take it all in, first you have to take it all. While you'll always be in a bigger than your cargo area, Subaru is always ready to handle more than the standard equipment lighting. With the exterior light package, you can enjoy clearer, brighter and whiter headlights and taillights. And the interior lighting package offers brighter, whiter and crisper illumination of your interior. Plus, the Auto-Dimming Exterior Mirrors help reduce glare while seamlessly blending into the door design. The Exterior Auto-Dimming Mirrors help add to your safer driving experience by reducing reflected headlight glare.

Sunroof – Sliding Sunroof.®

The Sunroof provides passengers with a breathtaking view of the sky and the surrounding landscape. The Sunroof is available on all models with the optional Premium Package and is standard on the Limited model. The Sunroof features a sunshade to protect passengers from the sun, as well as an automatic sunshade that can be used to block out the heat and glare. The Sunroof is also available on the Ascent Limited model with the Power Moonroof Package.

Flow-Through Cargo Area – Cargo Net.

The Flow-Through Cargo Area is designed to make it easy to access your cargo area from the rear seat. The Cargo Net is available on all models with the optional Premium Package and is standard on the Limited model. The Cargo Net is also available on the Ascent Limited model with the Power Moonroof Package.

Auto-Dimming Exterior Mirrors with Approach Light – Lighting Options.

The Auto-Dimming Exterior Mirrors with Approach Light are available on all models with the optional Premium Package and are standard on the Limited model. The Auto-Dimming Exterior Mirrors with Approach Light are designed to reduce glare and improve visibility. The Approach Light feature is activated when the vehicle is unlocked and provides a soft, warm glow to the exterior mirrors.

Exterior Mirrors with Approach Light.*

Unlock your vehicle and the exterior mirrors will automatically adjust to their Factory-Set positions. The exterior mirrors will then slowly move towards their Factory-Set positions while the light in the exterior mirror will remain on for 30 seconds. The exterior mirrors will then return to their Factory-Set positions and the light will turn off. The exterior mirrors with approach light is available on all models with the optional Premium Package and is standard on the Limited model. The exterior mirrors with approach light is also available on the Ascent Limited model with the Power Moonroof Package.

Warranties

- New Car Limited Warranty: 3 years or 36,000 miles, whichever comes first.
- Powertrain Limited Warranty: 5 years or 60,000 miles, whichever comes first.
- Wheel Warranty: 3 years or 36,000 miles, whichever comes first.
- Rust Perforation Limited Warranty: 5 years, unlimited mileage.

Durability

- It’s not disposable. It’s family.
- Life isn’t about owning a car you can’t beat. It’s about building our best car with the highest quality parts and by people who care. We take pride in what we make, and it shows in our customer ratings. From the way they stay out of landfills longer. And if we can make the world a cleaner and greener place while making things we love, our customers feel the same way.

Protecting Your Investment

- 24-hour roadside assistance for 3 years or 36,000 miles, if you’re on the road at night or in the rain, you can trust Subaru. It’s our way of giving you peace of mind.
- Subaru’s Got Your Back. Up to 10 years or 100,000 miles. They’re the only mechanical and maintenance agreements you can trust. Your retailer has full coverage details.
