The 3-row Subaru Ascent. Love is now bigger than ever.™
The Ascent is designed to give you peace of mind when you’re behind the wheel. It features standard Subaru Symmetrical All-Wheel Drive while delivering up to 27 highway MPG,³ and it can tow up to 5,000 lbs.³ With 8.7 inches of ground clearance and standard X-MODE® with Hill Descent Control, you can reach even more destinations.

We know how much safety means to you, and that’s why EyeSight® Driver Assist Technology⁴ and LED Steering Responsive Headlights come standard on every Ascent. A Smart Rear-View Mirror and 180-Degree Front View Monitor are available to enhance your vision;⁵ while Blind-Spot Detection and Rear Cross-Traffic Alert ℎ help make you even more aware of your surroundings. Plus, SUBARU STARLINK® Safety and Security with Advanced Automatic Collision Notification is available and can send help when you need it most.⁶

Wherever you’re sitting in the Ascent, you can stay connected—and with up to eight USB ports,⁷ you always have a place to plug in. SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto® integration lets you easily access all your favorite music and apps via a 6.5- or 8-inch touchscreen.¹ You can even use your phone to start the Ascent and set the perfect temperature, thanks to Remote Engine Start with Climate Control.¹

Our rigid Subaru Global Platform helps give the Ascent long-lasting durability, thanks to its high-strength steel construction. And because 97% of Subaru vehicles sold in the last 10 years are still on the road today,⁹ you can be confident that your Ascent is more than ready for the long road ahead.

When you’re ready for life’s next big adventure, the 2021 Ascent™ is ready to take you to new heights. It’s the largest and most versatile Subaru ever, with three rows and seating for up to eight! It’s packed with advanced technologies, from active safety systems to entertainment features. Thanks to legendary Subaru quality, durability and reliability, you can drive with confidence.

¹. Available for warranty at the dealer. See your retailer for details.
². May vary by trim level. See your retailer for details.
³. EPA-estimated highway fuel economy for Ascent and Ascent Premium trim levels with optional equipment. Actual mileage may vary. See your retailer for details.
⁴. Maximum towing capacity varies by trim level. Trailer brakes may be needed. Do not use with any type of weight-distributing hitch as their usage has not been validated to work with Subaru vehicles. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror, and X-MODE® may not function properly during towing. See Owner’s Manual for details.
⁵. EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving.
⁶. Available only if equipped. See your retailer for details.
⁷. Accessory equipment required. See your retailer for details.
⁸. Requires Keyless Access with Push-Button Start and subscription to STARLINK® Safety and Security Plus services. 6-month free trial included. See your retailer for details.
Fits a lifetime of memories.

Three rows. Seats 7 or 8.

With up to 153.5 cubic feet of passenger space¹ and a multitude of seating options, the three-row Ascent welcomes everyone. Available second-row captain’s chairs² give you easy access to the third row while seating up to seven. Or you can select the second-row bench to seat up to eight! No matter the configuration, the inside of the Ascent is where the journeys—and the great stories—begin.

¹ 150.0 cubic feet with available panoramic power moonroof. ² Availability varies by trim level. See your retailer for details.
Right-sized for your day as well as your destination.

The largest, most versatile Subaru ever.

The Ascent is designed to adapt to the size and shape of your journey, whether it’s an everyday errand or a special weekend outing. Its two rows of 60/40-split flat-folding seats\(^1\) allow for a wide range of cargo and seating configurations. There’s also up to 86.5 cubic feet of cargo space,\(^2\) plus under-floor storage, if you need it. And thoughtful details like a Power Rear Gate with lock button,\(^1\) standard raised roof rails and 19 cup and bottle holders mean the Ascent can take on whatever your day demands.

\(^1\) 86.5 cubic feet with available panoramic power moonroof.
\(^2\) Availability varies by trim level. See your retailer for details.
Vast comfort.

Ascent Touring with Java Brown Leather.
Ascent Touring in Abyss Blue Pearl.

EyeSight® reduces rear-end crashes with injuries by 85%.

An extra set of eyes every time you drive.

Every Ascent includes standard EyeSight® Driver Assist Technology.1

Pre-Collision Braking
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Ascent.

Advanced Adaptive Cruise Control with Lane Centering
Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Lane Departure and Sway Warning
You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

Pre-Collision Throttle Management
This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging or if you unintentionally put your Ascent in Drive instead of Reverse.

2 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operation and limitations.
Blind-Spot Detection
Using radar sensors, Blind-Spot Detection\(^1,2\) warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Rear Cross-Traffic Alert
Rear Cross-Traffic Alert\(^1,2\) uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking
Reverse Automatic Braking\(^1,3\) can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Ascent to a stop if it detects an object within its range and the brakes have yet to be applied. There’s also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK® Safety and Security
The Ascent features the latest STARLINK® Safety and Security\(^1,4\) system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. And to get you started, new Ascent drivers enjoy a free three-year STARLINK® Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

Safety that meets the highest expectations.
We know what’s most important to you when you drive, and that’s why safety is at the top of our minds, too. The Ascent is assembled in the U.S.A. and built on the resilient Subaru Global Platform with some of the most advanced active safety systems on the market. A Smart Rear-View Mirror\(^1\) and 180-Degree Front View Monitor\(^1\) enhance visibility. And standard LED Steering Responsive Headlights with High Beam Assist help make nighttime driving even safer.

The road may waver, but not your priorities.
“Are we there yet?” said no one.

Every journey in the Ascent is the perfect combination of high tech and low stress. At 54 inches, the available panoramic moonroof\(^1\) is the largest ever offered on a Subaru, bathing the cabin in soothing, natural light. There are three separate climate control zones, including air vents in each row. Plus, heated and ventilated front seats,\(^1\) second-row heated seats,\(^1\) and rear-seat climate controls\(^1\) are all available for easily customizable comfort.

The latest STARLINK\(^1\) Safety and Security\(^1,4\) system includes the added convenience of Remote Engine Start with Climate Control\(^5\). Accessible via your smartphone, it can help ensure your Ascent is ready and comfortable. And with available STARLINK\(^1\) Concierge Services, you can search for points of interest, make reservations and even find event tickets—all on the go.\(^4\)

More ways to bring passengers together.

Family time is quality time, and the Ascent helps make it exceptional. STARLINK\(^1\) Multimedia with standard Apple CarPlay\(^1\) and Android Auto\(^1\) integration connects you to all your music and apps through a 6.5- or 8-inch touchscreen.\(^1\) Thanks to built-in Wi-Fi capability\(^1,2\) and up to eight USB ports\(^1,3\) throughout the cabin, it’s easy for passengers to stream their favorite content and keep all of their devices charged and connected. The available TomTom\(^1\)-powered navigation system with three years of free map upgrades keeps you on the right path.\(^1\) And the available Harman Kardon\(^1\) 792-watt-equivalent, 14-speaker premium audio system offers a crisp, authentic listening experience.\(^1\)

1. Availability varies by trim level. See your retailer for details.
2. Internet access is purchased separately through AT&T with monthly, per-gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan.
3. Accessory equipment required. See your retailer for details.
5. A 3-year trial subscription to STARLINK Safety Plus and a 6-month trial of STARLINK Security Plus will be offered on New and Certified Pre-Owned vehicles during the introductory period. STARLINK plans can be purchased with annual or monthly terms, and a credit card is required to be kept on file for specific packages and renewal purposes. See your retailer for details.

Leave no bond unexplored.

Memories are made on outings like these, and the Ascent is engineered to get you there. It features standard Subaru Symmetrical All-Wheel Drive and a direct-injection turbocharged SUBARU BOXER® engine that gets up to 27 highway MPG¹ and delivers 260 hp and 277 lb-ft of torque. The Ascent can tow up to 5,000 lbs¹, boasts 8.7 inches of ground clearance, and offers standard X-MODE® with Hill Descent Control. That dream trip is now more real than ever.

¹ EPA-estimated highway fuel economy for Ascent and Ascent Premium trim levels with standard equipment at 27 highway mpg. Actual mileage may vary. See your retailer for details.

Maximum towing capacity varies by trim level. Trailer brakes may be needed. Do not use with any type of weight-distributing hitch as their usage has not been validated to work with Subaru vehicles. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror, and X-MODE® may not function properly during towing. See Owner's Manual for details.

Engine and Drivetrain

- **Ascent**
  - **Engine**
    - Power | Torque
    - 2.4-liter DOHC, Direct-Injection Turbocharged (DIT), intercooled, aluminum-alloy horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).  
    - 260 hp @ 5,600 rpm | 277 lb-ft @ 2,000–4,800 rpm
  - **Automatic Transmission**
    - Lineartronic® CVT (Continuously Variable Transmission) High Torque with Adaptive Control and 8-speed manual mode with paddle shifters.
  - **CA Emissions**
    - LEV II/ULEV 125
  - **Maximum Towing Capacity**
    - Ascent: 2,000 lbs.  
    - Ascent Limited and Ascent Touring: 5,000 lbs.

Traction and Stability

- **All-Wheel Drive type**
  - Subaru Symmetrical All-Wheel Drive
- **X-MODE®**
  - X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheel spin, providing optimal traction on low-friction surfaces.
- **Hill Descent Control (HDC)**
  - X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.
- **Vehicle Dynamics Control (VDC)**
  - VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g- force. If VDC detects a difference between the driver’s intended path and that the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.
- **Active Torque Vectoring**
  - Active Torque Vectoring works in tandem with VDC to apply braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.
- **Traction Control System (TCS)**
  - VDC also incorporates an all-wheel, all-speed Traction Control System, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.
- **Trailer Stability Assist (TSA)**
  - Trailer Stability Assist senses any unsafe yaw conditions and automatically applies braking to specific wheels to help driver maintain vehicle control.
- **Auto Vehicle Hold (AVH)**
  - AVH helps to reduce driver fatigue by holding the vehicle in place when the vehicle is stopped; after the brake pedal has been released. Utilizing VDC and the Electronic Parking Brake, AVH can hold the vehicle stationary on level, decline or incline surfaces.

Fuel

- **Fuel Economy**
  - Ascent and Ascent Premium: 21/27/23 mpg
  - Ascent Limited and Ascent Touring: 20/26/22 mpg

- **Fuel Requirement**
  - Unleaded gasoline (87 octane)

- **Fuel Capacity**
  - 19.3 gallons
**Exterior**
- Dual front USB input ports, second- and third-row USB charge ports
- Auto-on/off wiper-linked headlights
- One-touch interior illumination
- Woodgrain-patterned accent trim
- Raised roof rails: black finish
- LATCH system: Lower Anchors and Tethers for CHildren (LATCH)
- Front/rear passenger seatbelt warning light/chime, rear-seat reminder and child-safety rear door locks
- Seat-mounted front side-impact airbags (SRS)
- LED Daytime Running Lights (DRL)
- High Beam Assist (HBA)
- EyeSight® Driver Assist Technology
- ACTIVE touch screen display, voice-activated controls, AM/FM/CD player, HD Radio, dual USB input ports, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxillary jack
- 21 wheels with 5-spoke black finish

**Seating and Trim**
- 6-way manually adjustable driver seat, 4-way manually adjustable front passenger seat
- 4-way power-adjustable driver seat with a power lumbar, power-extendable support arm and height support, 4-way power-adjustable front passenger seat
- Heated front seats (Weather Package)
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Convenience Features**
- Rear View Camera (high-resolution) with adaptive guidelines
- Driver’s knee airbag (SRS)
- Smart Auto-Dimming Rearview Mirror with Homelink®
- Driver and front-passenger auto-tilt adjustable power windows
- Power tailgate with automatic close, height memory function and vehicle lock button
- One-touch interior illumination
- Auto-dimming rearview mirror
- Auto-dimming rearview compass mirror with HomeLink®
- Height-adjustable 3-point front seatbelts with dual pretensioners and load limiters. 3-point rear seatbelts.
- Front/rear passenger seatbelt warning light/chime, rear-seat reminder and child-safety rear door locks
- Spill-resistant cloth upholstery
- Ventilated front seats
- Variable-speed automatic intermittent windshield wipers
- Driver’s knee airbag (SRS)
- Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Single Steer with Driver Control, Remote Lock/Unlock, Concierge Services and more
- Slim-profile LED headlamps with LED signature design on front fascia and LED signature strip on front fascia
- 180-Degree Front View Monitor
- Vehicle Dynamics Control (VDC) with Traction Control System (TCS) and Trailer Stability Assist (TSA)
- LED Steering Responsive Headlights (SRH) with High Beam Assist (HBA)
- Driver’s knee airbag (SRS)
- Obstacle detection with automatic brake assist and pedestrian detection for front/semi-vehicle and rear/semi-vehicle
- Reverse Automatic Braking
- Captain’s chairs or bench seat
- Enhanced personalized steering wheel
- Interior multi-color LED illumination
- Keyless Access with Push-Button Start
- Power Rear Gate with automatic close, height memory function and vehicle lock button
- Keyless Access with Push-Button Start and PIN-code vehicle access
- Auto-dimming rearview compass mirror with Homelink®
- Power rear seats with a power lumbar, power-extendable support arm and height support, 4-way power-adjustable front passenger seat
- Heated rear seats
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Instrumentation**
- Memory steering wheel
- Memory seats
- Manual tilting steering column
- 4.3-inch HD color LCD touch-screen display
- 3.5-mm audio jack
- Power Rear Gate
- Keyless Access
- Interior multi-color LED illumination
- Keyless Access with Push-Button Start
- Driver’s knee airbag (SRS)
- Enhanced personalized steering wheel
- Interior multi-color LED illumination
- Keyless Access with Push-Button Start
- Power rear seats with a power lumbar, power-extendable support arm and height support, 4-way power-adjustable front passenger seat
- Heated rear seats
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Safety**
- 8-way power-adjustable driver seat
- 3rd Row Seating
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Active Safety Features**
- Subaru Symmetrical All-Wheel Drive (AWD)
- Enhanced personalized steering wheel
- Interior multi-color LED illumination
- Keyless Access with Push-Button Start
- Power rear seats with a power lumbar, power-extendable support arm and height support, 4-way power-adjustable front passenger seat
- Heated rear seats
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Audio System**
- STARLINK® 8.0-inch Multimedia Navigation System: voice-activated multi-touch gesture high-resolution GPS navigation system with Apple CarPlay® and Android Auto®, STARLINK® cloud-based applications, SiriusXM® Satellite Radio and SiriusXM® Travel Link®, dual USB input ports, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxillary jack
- 8-way power-adjustable driver seat
- Heated rear seats
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray
- Spill-resistant cloth upholstery
- Ivory carbon fiber-patterned interior accent trim on dash and doors
- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**Optional Equipment**
- Power Rear Gate
- Keyless Access
- Auto-dimming rearview compass mirror with Homelink®
- Reverse Automatic Braking
- Captain’s chairs or bench seat
- Enhanced personalized steering wheel
- Interior multi-color LED illumination
- Keyless Access with Push-Button Start
- Power rear seats with a power lumbar, power-extendable support arm and height support, 4-way power-adjustable front passenger seat
- Heated rear seats
- Heated outlet rear seats
- Heated steering wheel
- Rear-folding seat and third-row seatbacks
- Leather-wrapped steering wheel and shifter handle
- Luggage tray

- Ivory leather/microfiber accent trim on door and seats
- Woodgrain-patterned accent trim

**LED Upgrade - Map and Reading Lights.** Enhance the illumination of your standard interior map and reading lights with brighter, whiter and longer-lasting LED lighting. The LED upgrade accessory is developed and tested to be genuine Subaru standards for appearance, illumination and function, ensuring proper fit and function of your vehicle's electrical systems.
Ascent | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

The STARLINK® Entertainment Anywhere package is available wherever your travels take you. The system, LED lights located behind the Subaru logo, and crash-tested to meet the same rigorous safety standards. Rear-facing cameras will be accepted. Headphones shown are prototype.

Auto-Dimming Exterior Mirrors with Approach Light. Enhance nighttime driving safety by adding these mirrors. Upon approaching the vehicle or unlocking your doors with the keyless entry system, the mirrors will automatically adjust their dimming level to the level of light in the environment. The Dimming level is regulated by the level of light unison with the Auto-Dimming (Interior) Mirror.

To take it all in, first you have to take it all.

When your passion is even bigger than your cargo area, Genuine Subaru Lifestyle Accessories manufactured by Thule®, are a great way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards and more. Each carrier safely attaches to your roof rack, and the available Thule® Portable Step can help you easily access everything.

When maximum towing capacity, with base trim and polyurethane-coated back. Also available for 2nd Row Captain’s Chairs and 3rd Row Bench.

For maximum sun protection, these sunshades dull glare and reduce temperatures, as well as UV-A/B protection to keep your rear passengers cool and comfortable. Neatly holds cargo and prevents it from shifting around, while rubber bumpers are included to help prevent damage to your vehicle. Rear Cross-Traffic Alert
Smart Rear-View Mirror
X-MODE®
Reverse Automatic Braking System
Automatic Parking Assist

driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations.

Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle, and utilizing the other features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror, and X-MODE® to warn or aid in various scenarios when drivers change lanes or when backing up. Although these systems are advanced, they are not disposable. They’re family.

Love means being more than a car company. The Subaru Love Promise is our promise to silence hate and ensure safety for all people at every interaction with Subaru. Together with our retailers, we are dedicated to making the Subaru experience a safe and respectful one for all people.

More Than a Car Company.

Life moves fast. Don’t slow it down with a car you can’t trust. At Subaru, we build our cars with the highest standards in mind, paying special attention to the things that are uniquely tough and rugged. It’s why our vehicles can be the safest and most reliable in their class. Subaru. Love means being more than a car company. The Subaru Love Promise is our promise to silence hate and ensure safety for all people at every interaction with Subaru. Together with our retailers, we are dedicated to making the Subaru experience a safe and respectful one for all people.
