The Subaru Crosstrek. Love is out there. Find it in a Crosstrek.
Meet the new 2021 Crosstrek.

When you drive a new Crosstrek off the lot, it will be clean—alarmingly clean. But not for long. With the ability to travel over 500 miles on a single tank,¹ a spontaneous adventure suddenly seems well within reason. Soon your Crosstrek will get those mud accents it deserves.

In the Crosstrek, “hard to get to” becomes “easy to reach” with standard Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance. For even further capability, newly available features include dual-function X-MODE® and a 182-hp SUBARU BOXER® engine.²

A Subaru lasts because of its engineering. The SUBARU BOXER® engine’s horizontal design offers better balance than other engine types and creates less vibration, which can lead to less wear and tear. It’s one of the reasons why 99% of Subaru Crosstrek vehicles sold in the last 5 years are still on the road today.³

For adventures and commutes alike, you have simple, intuitive access to your music and apps through SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto™ integration. You can even use your phone to set the perfect temperature before you get in, thanks to available Remote Engine Start with Climate Control.⁴,⁵

The Crosstrek is designed to heighten all-around awareness. Subaru EyeSight® Driver Assist Technology⁶ now features Advanced Adaptive Cruise Control with Lane Centering to help you stay within lane markings and keep a safe distance from the car in front of you. There’s also available SUBARU STARLINK® Safety and Security⁷ to connect you to help when you need it most.

Adventure: its second coat of paint.

1. EPA-estimated fuel economy for 2021 Crosstrek Sport and Limited trims with Lineartronic® CVT at 34 highway MPG and a 16.6-gallon fuel tank. Actual driving range may vary. See your retailer for details. 2. Crosstrek Sport trim only. 3. Availability varies by trim level. See your retailer for details. 4. Based on Experian Automotive vehicles in operation vs. total new registrations for model years 2010–2019 as of December 2019. 5. Requires Keyless Access with Push-Button Start. See your retailer for details. 6. EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. 7. Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.
There’s a moment when you realize there are no other cars in sight—it’s bound to happen when you have standard Subaru Symmetrical All-Wheel Drive and up to 34 highway MPG.1 An adventure has begun and you’re going to need all 8.7 inches of ground clearance, more than the Jeep Compass offers.2 Terrain might get steep and slippery, but the Crosstrek has X-MODE® with Hill Descent Control.3 You’ll hold your ground.

1 EPA-estimated fuel economy for 2021 Crosstrek Sport and Limited trims with Lineartronic® CVT at 34 highway MPG. Actual mileage may vary. See your retailer for details. 2 Comparison based on information from manufacturer website for 2020 Jeep Compass and is accurate at time of printing. 3 Requires Lineartronic® CVT.
Looks don’t always deceive.

The all-new Crosstrek Sport

With its bold styling, the Crosstrek Sport looks capable. But that’s also how it’s built. Thanks to its new 182-hp SUBARU BOXER® engine, the Crosstrek Sport delivers more power than the Honda HR-V. In adverse conditions, its engineering offers the unyielding traction of dual-function X-MODE®, a system that includes terrain-specific settings designed to take on snow and dirt or deep snow and mud.

Your outdoor home base.

Inside the Crosstrek Sport, conveniences come in all sizes. A high-powered LED rear-gate light is a welcome convenience when car camping, and StarTex® water-repellent upholstery is easy to clean if the adventure gets muddy.

1 Comparison based on information from manufacturer website for 2020 Honda HR-V and is accurate at time of printing.
Ready for what you are.

Crosstrek Limited in Horizon Blue Pearl with optional and accessory equipment.

Cargo Versatility

The Crosstrek takes the process out of packing up. You have up to 55.3 cubic feet of cargo room and a host of versatile features to work with, including a wide rear gate opening, standard roof rails and a cargo-area tray— in case your gear gets wet or muddy. There’s also a 60/40-split flat-folding rear seatback to accommodate longer items and a passenger or two on the same trip.

1 Availability varies by trim level. See your retailer for details. 2 Accessory equipment shown.
More total interior volume than the Mazda CX-30.1
Though it might be able to squeeze into tight parking spots, the Crosstrek is noticeably roomy on the inside with up to 100.9 cubic feet of passenger space! Enter easily through its wide door openings, and sink into its supportive seats—available in durable cloth, soft leather3 or adventure-friendly StarTex®. It won’t matter if your journey has hours left to go.

1 Comparison based on information from manufacturer website for 2020 Mazda CX-30 and is accurate at time of printing. 2 Without available power moonroof. 3 Availability varies by trim level. See your retailer for details.
Your music and apps are always along for the ride with SUBARU STARLINK® Multimedia, featuring standard Apple CarPlay® and Android Auto™ integration. An available 8.0-inch screen makes it all easily accessible, while a 432-watt-equivalent Harman Kardon® premium audio system gives your playlist a clear, detailed polish as it sings through eight speakers. Thanks to Remote Engine Start with Climate Control, you can use your phone to set the perfect temperature even before you step in.

Simple, intuitive, road-trip ready.

Crosstrek Limited with Black Leather and optional equipment.
EyeSight® reduces rear-end crashes with injuries by

85%  

Pre-Collision Braking
A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Crosstrek.

Advanced Adaptive Cruise Control with Lane Centering
This system helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Pre-Collision Throttle Management
This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Crosstrek in Drive instead of Reverse.

Lane Departure and Sway Warning with Lane Keep Assist
You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

1 Based on IIHS reporting data as of January 2017 from MY2013–2015 Subaru models equipped with EyeSight® through 2015.
2 Availability varies by trim level. See your retailer for details.
3 EyeSight® is a driver assist technology which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible, and system effectiveness depends on many factors. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner’s Manual for complete details on system operation and limitations.

An extra set of eyes every time you drive.
Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator on your exterior mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your exterior mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.\(^1\)\(^2\)

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your exterior mirror and Rear-Vision Camera display as well as an audible warning.\(^1\)\(^2\)

Reverse Automatic Braking

Reverse Automatic Braking can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Crosstrek to a stop if it detects an object within its range and the brakes have yet to be applied. There’s also the Rear-Vision Camera to help you keep an eye out.\(^1\)\(^2\)

SUBARU STARLINK® Safety and Security

The Crosstrek features the latest STARLINK® Safety and Security\(^4\) system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. To get you started, new Crosstrek drivers enjoy a free three-year STARLINK® Safety Plus trial, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

1 Availability varies by trim level. See your retailer for details. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner’s Manual for complete details on system operation and limitations. 4 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.
The 2020 Subaru Crosstrek retains its value better than any other vehicle in its class.1

Vehicle sold in the last 5 years are still on the road today.

Subaru is Kelley Blue Book’s Most Trusted Brand for six years running.4

Subaru is a four-time lowest 5-Year Cost to Own Brand winner, according to Kelley Blue Book.2

99% of Subaru Crosstrek vehicles sold in the last 4 years are still on the road today.4

“Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are driver-assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your retailer for complete details on system operation and limitations.

The Crosstrek faithfully lives up to Subaru’s reputation of off-road excellence.2

The 2021 Subaru Crosstrek retains its value in the automotive industry, 2 Years in a Row.2

2021 Crosstrek | Trim Levels

Crosstrek
- 152-hp D-4 4-cylinder SUBARU BOREX engine with direct injection
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Optional Lineartronic® CVT (Continuously Variable Transmission) with X-MODE® featuring Hill Descent Control
- EyeSight® Driver Assist Technology
- Active Torque Vectoring
- 17-inch alloy wheels
- Roof rails in black finish
- Cloth upholstery
- Black carbon-fiber-patterned interior accent trim
- 6-way manually adjustable driver seat and 4-way manually adjustable front-passenger seat
- SUBARU STARLINK® 5.0-Inch Multimedia with Apple CarPlay® and Android Auto® integration, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB input port, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Driver and front-passenger auto up/down power windows
- Automatic climate control system with air filtration
- Electronic cruise control
- Rear-Vision Camera

Crosstrek Premium
Includes Crosstrek key features and adds:
- Auto-on/off headlights
- Fog lights
- Body-color exterior mirrors
- Cloth upholstery with orange stitching
- Leather-wrapped steering wheel with orange stitching
- Leather-wrapped shifter handle
- All-Weather Package: Heated exterior mirrors, dual-mode heated front seats, windshield wiper de-icer
- Welcome lighting
- Gunmetal exterior mirrors with integrated turn signals
- Gunmetal exterior accents and badging
- Sport front and rear wheel arch cladding
- Gray StarTex® water-repellent upholstery with yellow contrast stitching
- Keyless Access with Push-Button Start
- Rear cross-traffic sensor
- Rear Parking Sensor
- Rear Splash Guard
- Rear-revealer

Crosstrek Sport
Includes Crosstrek Premium key features and adds:
- 182-hp 2.5-liter 4-cylinder SUBARU BOXER engine with direct injection
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters with auto start-stop technology and SI-DRIVE Engine Performance Management System
- Dual-function X-MODE® with Hill Descent Control
- Eyelight® Driver Assist Technology
- 17-inch alloy wheels in dark gray finish
- Leather-trimmed upholstery with orange stitching
- 18-inch alloy wheels
- EyeSight® Vehicle Dynamics Management System
- Active Torque Vectoring Performance Management System
- Performance Management System with auto start-stop technology and SI-DRIVE Engine Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters with auto start-stop technology and SI-DRIVE Engine Performance Management System
- Dual-function X-MODE® with Hill Descent Control
- Eyelight® Driver Assist Technology
- 17-inch alloy wheels in dark gray finish
- Welcome lighting
- Rear parking sensor
- Rear Splash Guard
- Rear-revealer

2021 Crosstrek | Specifications

**Engine and Drivetrain**
- 2.0-liter DOHC direct-injection aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).
- 152 hp @ 6,000 rpm | 145 lb-ft @ 4,400 rpm

**Electric power-assisted quick ratio rack-and-pinion steering (EPAS).**
- 225/60 R17 98H all-season

If both brake and accelerator pedals are pressed simultaneously, the system
- Unleaded gasoline (87 octane)

**Vehicle Dynamics Control**
- X-MODE®: X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheel spin, providing optimal traction on low friction surfaces.
- 2.0-liter DOHC direct-injection aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).
- 152 hp @ 6,000 rpm | 145 lb-ft @ 4,400 rpm
- 2.5-liter DOHC direct-injection aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).
- 182 hp @ 6,000 rpm | 176 lb-ft @ 4,400 rpm

**Spare Tire**
- 1.25 cubic foot, 19 x 7.0-inch aluminum-alloy. Dark gray finish.

**Brakes**
- 4-wheel-disc ventilated front, 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD).
- 17 x 7.0-inch aluminum-alloy. Black with machined finish.

**Auto Start-Stop System**
- 4-wheel independent raised.

**Chassis**
- 4-wheel independent raised.

**Suspension**
- 4-wheel independent raised.

### Seating and Trim

- 5-way manually adjustable driver seat; 6-way manually adjustable front passenger seat.
- 3-way power-adjustable driver seat; 4-way manually adjustable front passenger seat.
- Heated front seats (All-Weather Package).
- Black split folding outboard side seat back with bench armrest.
- Leather-wrapped steering wheel with orange stitching.
- Leather-wrapped steering wheel with yellow stitching.
- Leather-wrapped automatic transmission shifter handle.
- Shifter handle with leather boot and gloss black trim.
- Cloth upholstery
- Cloth upholstery with orange stitching.
- Gray StarTex® treated upholstery with yellow stitching.
- Leather-trimmed upholstery with orange stitching.

### Convenience Features

- Keyless Access with Push-Button Start and IMMO code-vehicle access.
- Welcome lighting when approaching or departing vehicle.
- One-touch lane change feature.
- Auto headlamps.
- Auto-appearance driver and front passenger power windows.
- Electronic cruise control.
- 3-spoke steering wheel with audio system, Bluetooth© cruise control (if equipped)."Eyeglasses®-Enhanced Adaptive Cruise Control.
- Automatic transmission manual-mode paddle shifters.
- Manually adjustable whitewall-rimming chrome rearview mirror.
- Rear center armrest with dual cup holders.
- Removable cargo area tray and cover.

### Audio System

- SUBARU STARLINK® 6.3-inch Multimedia with Apple CarPlay® and Android Auto®. Integration, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio, cloud-based applications, SiriusXM®, internet radio, USB input port, Bluetooth audio streaming and hands-free phone connectivity, and auxiliary jack.
- SUBARU STARLINK® 8.0-inch Multi-Mode Plus with Apple CarPlay® and Android Auto®. Integration, STARLINK® cloud-based applications, SiriusXM®, and SiriusXM Travel Link® HD radio technology, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio, USB input port, Bluetooth audio streaming and hands-free phone connectivity, and auxiliary jack.
- Audio Upgrade.
- 6 speakers.

### Climate Control

- Driver Assist Technology
- Remote Automatic Air Conditioning (AC) System with Audio Upgrade.
- Dual zone automatic climate control system with GFC-free air conditioning, air filtration and rotary controls for temperature, fan speed and airflow direction.

### Instrumentation

- Instrument cluster with analog speedometer, tachometer and “CVT” fuel economy gauges and 4.0-inch LCD display.
- Instrument cluster with analog speedometer and tachometer gauges, and 4.3-inch LED LCD display.
- Multifunction display with digital computer displaying current and average fuel economy, distance to empty, average vehicle speed, journey time, digital clock, and ambient temperature.
- 3-inch color multifunction display with information displays for fuel economy, current and distance to empty, heating and air conditioning, audio, weather, vehicle systems operation and more.

### Security

- Keyless entry and anti-theft security system with engine immobilizer.

### Safety

- ACTIVE
  - Subaru Symmetrical All-Wheel Drive (AWD):
    - EyeSight® Driver Assist Technology®
    - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®

### Equipment Contents

- LINEARTRONIC® CVT Continuously Variable Transmission / EyeSight® Driver Assist Technology® / Rear-seat reminder
- LINEARTRONIC® CVT / EyeSight® Driver Assist Technology® / Rear-seat reminder / Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®
- Power Moonroof / MSRP: $460
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert® / Power Moonroof / MSRP: $460
- SUBARU STARLINK® 8.0-inch Multimedia Plus
- Power Moonroof:
- Power Moonroof • SUBARU STARLINK® 6.3-inch Multimedia Navigation • Harman Kardon® audio system

### Audio Upgrade

- SUBARU STARLINK® 6.3-inch Multi-Mode Navigation System with Apple CarPlay® and Android Auto®. Integration, STARLINK® cloud-based applications, SiriusXM®, and SiriusXM Travel Link® HD radio technology, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio, USB input port, Bluetooth audio streaming and hands-free phone connectivity, and auxiliary jack.

### Audio System

- 6 speakers.
- Forced Floater Audio Upgrade. Enhance your Crosstrek audio system to our level of sound quality so you don’t only hear the music but feel it too. This upgrade equips the car’s speakers with SUBARU’s unique inflatable speaker to enhance bass and a subwoofer. Designed to be an integrated digital signal processor setup to align the system to the driver’s preferences.
- 8.0-inch Multimedia Navigation System • Harman Kardon® premium audio system
- Rear Audio Upgrade.
- 8.0-inch Multimedia Navigation System • Harman Kardon® premium audio system

### Accessory

- All-Weather Floor Liners: Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, and mud, dirt and moisture. Floor Liners are precision-engineered to ensure a perfect fit throughout the life of the vehicle and enhance durability to help ensure the doors will not warp, fade or tear.
- Splash Guards: Help protect the critical parts of the vehicle from accidental spills, snow, sand, mud, dirt and moisture. Engineered to provide a seamless appearance, Splash Guards are an attractive addition to help protect the doors from unsightly dings.
Let nothing hold you back.

When your passion is even bigger than your cargo area, Genuine Subaru active lifestyle accessory attachments manufactured by Thule® are a smart way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards, and more. Each carrier safely attaches to your roof rack, and the available Thule® Portable Step can help you easily access everything.

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

1 Available on Lineartronic® CVT trim levels only. 2 Requires Auto-Dimming (Interior) Mirror.

Sport Package

Give your 2021 Crosstrek an exclusive, custom look. The available Crosstrek Sport Package includes four STI black-finish alloy wheels with STI-branded center caps. These are complemented by the All-Wheel Lug Nut and Lock Set in black. A dark gray, flush-mounted STI rear spoiler with the STI logo adds a sporty touch, while an STI leather shift knob delivers a sophisticated performance look inside.

Auto-Dimming Mirror with Compass and HomeLink.

This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

For a complete list of available accessories, visit your local Subaru retailer or visit www.subaru.com.

1 Available on Lineartronic® CVT trim levels only. 2 Requires Auto-Dimming (Interior) Mirror.
