The best-handling, best-performing WRX. Ever.

2021 WRX / WRX STI
The WRX has all the hardware needed to corner with grace and speed. Starting with the suspension, it’s an enviable setup—a rigid unibody chassis with reinforced suspension mounting points, aluminum front lower control arms with pillow-ball joint mounts, and a double wishbone rear suspension architecture with pillow-ball joint bushings. And with Subaru Symmetrical All-Wheel Drive and Active Torque Vectoring, the WRX offers an almost endless supply of traction.

Having excellent grip is only half of the handling equation. The other is the driver’s sense of control and precision, which the WRX delivers, thanks to its quick 14.4:1 steering ratio.1 Available 18-inch wheels2 and inverted front struts2 further heighten its response and sharpen its focus.

The WRX backs up its potent performance features with appropriately robust safety measures, earning it a 5-Star Overall Vehicle Score from the National Highway Traffic Safety Administration.3 Available LED Steering Responsive Headlights2 and High Beam Assist 2,4 help enhance visibility at night. And with available Blind-Spot Detection2,5 and Rear Cross-Traffic Alert2,5 peace of mind in the WRX is just as possible as excitement.

Pure bliss exists in the form of the 268-hp 2.0-liter direct-injection turbocharged SUBARU BOXER® engine, where power is generated smoothly, efficiently and instantaneously, thanks to its twin-scroll turbocharger. Matched with the 6-speed manual transmission or the Sport Lineartronic™ transmission with SI-DRIVE and paddle shifters,2 the WRX intends to elevate every drive—and heart rate.

1 14.3:1 on base WRX trim level. 2 Availability varies by trim level. See your retailer for details. 3 Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.SaferCar.gov). 4 WRX Limited trim level only. Requires EyeSight.® 5 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver in making left or right turns at intersections or when changing lanes and are not substitutes for safe driving or looking away.
The WRX STI is laser-focused on handling, with a track-tuned suspension that features standard inverted front struts and aluminum front lower control arms for low unsprung weight—an attribute further enhanced by its lightweight 19-inch alloy wheels. And it’s all underpinned by Subaru Symmetrical AWD with Driver Controlled Center Differential, front and rear limited-slip differentials and Active Torque Vectoring, so you can hit your apexes and nail your exits with control, precision and speed.

In the WRX STI, the synergy between driver and car is unmistakable. You’ll feel an invigorating sense of control, thanks to its ultra-quick 13.3:1 steering ratio and rigid unibody chassis. Its powerful Brembo® high-performance braking system features 6-piston front and 2-piston rear monoblock calipers and cross-drilled rotors to stop you with authority and reduced brake fade. And the signature rear wing of the WRX STI adds downforce for more stability at higher speeds.

It’s a potent, race-proven package—a 310-hp 2.5-liter turbocharged SUBARU BOXER® engine, featuring a high-flow air intake and performance exhaust system. It’s coupled with a precise and durable 6-speed, close-ratio transmission and SI-DRIVE for on-the-fly performance adjustments. This puts all the power and torque of the WRX STI right into your hands.

For nearly three decades, Subaru Tecnica International (STI) has applied lessons learned in motorsports to Subaru automobiles, not only enhancing performance but the ability to keep performing, lap after lap. This approach to engineering results in vehicles that are more communicative, responsive, and able to take the sustained punishment that high-intensity driving demands.

1 From “2018 Subaru WRX Expert Review” on Kelley Blue Book’s KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. 2 We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty & Maintenance Booklet for details. If you do race this vehicle, do so safely and legally on approved racing tracks. Drive responsibly at all times, and obey all traffic laws.
It’s not about settling in. It’s about strapping in. The WRX and WRX STI put you at the center of the driving experience, with driver-focused designs like a quick-responding standard 6-speed manual transmission, Recaro® performance seats1 and a leather-wrapped flat-bottom steering wheel. Seamless connectivity is made possible by SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto™ integration, which you can access intuitively through voice commands, steering-wheel controls or the high-definition touchscreen. Now just crank up the available 440-watt 9-speaker Harman Kardon® premium audio system1, and you’re off.
Cargo-ready. Passenger-ready. **Track-ready.**

A sports car with room for weekdays. Compromises are few, thanks to standard roof crossbar mounting points, a 12-cubic-foot trunk, a 60/40-split folding rear seatback, expansive rear legroom and wide door openings. It’s a commuter, an errand-runner and a track-day weapon, all rolled into one.

---

1. We do not recommend racing your vehicle. Racing may void the vehicle warranty. See Warranty and Maintenance Booklet for details. If you do race your vehicle, do so safely and lawfully on approved racing tracks. Drive responsibly at all times, and obey all traffic laws.
Subaru is a four-time Best Performance Brand winner, according to Kelley Blue Book.

Subaru is a four-time Best Performance Brand winner, according to Kelley Blue Book.

97% of Subaru vehicles sold in the last 10 years are still on the road today.1

STI are a blast to drive, to their sophisticated all-weather, snow or shine, thanks to their sophisticated all-wheel-drive systems.11

 Kelley Blue Book's KBB.com retains vehicle in its class.5

| 2021 WRX / WRX STI | Trim Levels |

**WRX**

- 288-hp twin-scroll turbocharged 2.0-L 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- Driver-Centered Center Differential All-Wheel Drive
- Front and rear limited-slip differentials
- 6-speed close-ratio manual transmission
- Rear-active high-performance braking system with monobloc 6-piston front and dual-piston rear calipers
- High-performance STI sport-tuned suspension
- 19-inch aluminum-alloy wheels
- STI front spoiler
- Auto-on/off LED headlights
- LED fog lights
- Cross-Traffic Alert9
- Blind-Spot Detection and Lane Change Assist and Rear Cross-Traffic Alert®
- Leather-wrapped flat-bottom steering wheel
- Keyless Access with Push-Button Start
- Welcome lighting

**WRX Limited**

Includes WRX key features and adds:

- Auto-on/off LED Steering Responsive Headlights
- Auto-on/off headlights
- Halogen fog lights
- 19-inch aluminum-alloy wheels
- STI front spoiler
- Keyless Access with Push-Button Start
- Ultrasuede®/leather-trimmed upholstery
- Keyless Access with Push-Button Start
- Auto-on/off headlights
- 19-inch aluminum-alloy wheels
- STI trunk spoiler
- Auto-on/off LED Steering Responsive Headlights
- Keyless Access with Push-Button Start
- Ultrasonic®/leather-trimmed upholstery
- Rear-Vision Camera
- Leather-wrapped flat-bottom steering wheel
- Keyless Access with Push-Button Start
- Welcome lighting

**WRX STI**

- 310-hp turbocharged 2.5-liter 4-cylinder SUBARU BOXER® engine
- Driver-Centered Center Differential All-Wheel Drive
- Front and rear limited-slip differentials
- 6-speed close-ratio manual transmission
- Rear-active high-performance braking system with monobloc 6-piston front and dual-piston rear calipers
- High-performance STI sport-tuned suspension
- 19-inch aluminum-alloy wheels
- STI front spoiler
- Auto-on/off LED headlights
- LED fog lights
- Cross-Traffic Alert9
- Blind-Spot Detection and Lane Change Assist and Rear Cross-Traffic Alert®
- Leather-wrapped flat-bottom steering wheel
- Keyless Access with Push-Button Start
- Welcome lighting

**WRX STI Limited**

Includes WRX STI key features and adds:

- STI or low-profile trunk spoiler
- Rearview® front spoiler
- 8-way power-adjustable driver seat
- Perforated Kevlar® premium audio system with 9 speakers and 440-watt amplifier
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®
- Subaru STARLINK® 7.0-inch Multimedia Navigation System: voice-activated TomTom® navigation system with Apple CarPlay® and Android Auto® integration, STARLINK® cloud-based applications, SiriusXM® Traffic® and SiriusXM Travel Link®,®6 ND FM/CD player, 6 speakers, HD Radio®, dual USB input ports, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Power liftgate moonroof
- Rear-Vision Camera
- Leather-wrapped flat-bottom steering wheel
- Keyless Access with Push-Button Start
- Welcome lighting

**WRX Premium**

Includes WRX key features and adds:

- Optional Sport Lineartronic® transmission with paddle shifters, 6- and 8-speed manual modes and SI-DRIVE Engine Performance Management
- Optional EyeSight® Driver Assist Technology
- 16-inch aluminum-alloy wheels
- Harman Kardon® premium audio system with 9 speakers
- 8-way power-adjustable driver seat
- Auto-on/off headlights
- Cross-Traffic Alert9
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert®
- Leather-wrapped flat-bottom steering wheel
- Keyless Access with Push-Button Start
- Welcome lighting

<tr>
<td>2.5-liter DOHC intercooled, turbocharged, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System (DAVCS).</td>
<td>310 hp @ 6,000 rpm</td>
<td>245 lb-ft @ 4,000–5,200 rpm</td>
</tr>
<tr>
<td><strong>Intake System</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Twin-scroll turbocharger with intercooler. Maximum boost pressure: 15.9 psi.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Turbocharger with high-flow intercooler. Maximum boost pressure: 16.2 psi.</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>SI-DRIVE Engine Performance Management System</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU) and by fine-tuning the electronically controlled throttle. For WRX models equipped with Sport Lineartronic™ transmission, SI-DRIVE also adjusts transmission shift characteristics.</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Transmission</strong></td>
<td></td>
<td></td>

<td>All-Wheel Drive type</td>
<td>Subarummetrical All-Wheel Drive</td>
<td></td>
</tr>
<tr>
<td>Driver Controlled Center Differential (CCC) All-Wheel Drive</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Vehicle Dynamics Control (VDC)</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path. Includes standard, off and performance-oriented traction mode.</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Active Torque Vectoring</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Active Torque Vectoring works in tandem with VDC applying braking power to the front wheels, resulting in sharper turn-in, more neutral steering and higher cornering limits when turning.</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Traction Control System (TCS)</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>VDC also incorporates an all-wheel, all-speed Traction Control System that, when sensing a loss of traction, reduces engine torque and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.</td>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>Fuel</strong></td>

2021 WRX / WRX STI | Equipment

Climate Control

Automatic-on / off climate system with OFF/T2/Freon-air conditioning and humidity controls for temperature, fan and air-source direction. Dual-zone automatic climate control system with CFC-free air conditioning, ventilation and temperature controls for driver, front passenger, rear, and defrost options.

Instrumentation

Analog speedometer, tire pressure, temperature and fuel gauges. Selectable instrument panel temperature gauges with 5-80°C LED color display, featuring “eco” fuel economy gauge. STI sport design electric/water temperature gauges with 5-80°C LED color display, featuring “eco” fuel economy gauge, JGTC and STI logo made reflective. Gauge needles full sweep and trim rings illuminate on start-up.

6.1-in LCD color multifunction display for vehicle range, average fuel economy, clock, ambient air temperature, climate control and other vehicle functions.

Alloy SPIN2S, Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning, Lane Keep Assist, Adaptive Cruise Control, DEADogne Assist Monitor.

STI Short Throw Shifter and STI Shift Knob

STI Performance Exhaust System

STI 15-Spoke Black Alloy Wheels

WRX in Magnetite Gray Metallic with accessory WRX Sport Package.

Give your WRX an exclusive, custom look. The available WRX Sport Package includes four STI 15-spoke black-finish alloy wheels, an STI performance exhaust system, an STI short throw shifter, and an STI shift knob made of high-quality aluminum and leather.

Give your WRX to the next level.
It's not disposable. It's family.

Life doesn't last. So when it does, we're there for you. At Subaru, we're dedicated to building vehicles that aren't disposable. Vehicles that are inherently tough and resilient. It's why our vehicles excel in the extreme conditions they're built to tackle. Not just because of high-strength steel, but also because of rivets that are engineered strong enough to withstand years of abuse. Not just because of Brembo brakes, but also because of break-in procedures that allow the rotor surface to become conducive to stopping. Not just because of Fine-Tuned Clutch Engagement, but also because of strict inspection standards that ensure every vehicle leaves the factory in peak condition.

Protecting Your Investment

Now more than ever, Subaru is a family business. We've been a family business since 1953. And that means more than just building vehicles. It means taking care of our customers. That's why we offer a complimentary 1-year trial subscription to our Safety and Security Plus package. A state-of-the-art system designed to alert you in the event of a collision, automatically activate your emergency contacts, and provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. It's just another way we're here for you.

More Than a Car Company™

Subaru is more than just a car company. It's a family business. It's a commitment to making the world a better place. From our investment in renewable energy to our support of conservation efforts, we're dedicated to leaving the world in better shape than we found it. And while making cars that inspire and motivate their drivers, we've done our job. We've made the world a cleaner and greener place. And if we can make the world a cleaner and greener place for our children, we've done our job.
Love. It's what makes Subaru, Subaru.
