

2024 Forester

The Subaru Forester. **The SUV for all you love.**

When it comes to love, go all-in.

The 2024 Forester is an SUV that can't be defined by just three letters. It offers room for long weekends, reliability for daily drives and a wide range of safety innovations—so wherever you go, peace of mind will follow. Plus, every Forester is built to last: 96% of Subaru Forester vehicles sold in the last 10 years are still on the road today—more than Toyota RAV4, Honda CR-V, Mazda CX-5, Nissan Rogue, or Ford Escape.¹

Safe

Every Forester is equipped with standard EyeSight® Driver Assist Technology,² which includes Automatic Emergency Steering.³ To help reduce distracted or drowsy driving, there's the DriverFocus® Distraction Mitigation System.^{4,5} You can also opt for the latest SUBARU STARLINK® Safety and Security system^{4,6} and a host of advanced technologies, including Blind-Spot Detection^{4,7} and Rear Cross-Traffic Alert.^{4,7}

Versatile

The Forester offers comfortable room for everyone and up to 74.2 cubic feet of cargo space.⁸ Its extra-wide rear gate opening helps you load with ease, and a 60/40-split flat-folding rear seatback ensures the Forester can adapt to however your day is shaping up.

Connected

Wherever you go, you should be able to take your music and apps with you. That's why the Forester features standard SUBARU STARLINK Multimedia with Apple CarPlay® and Android Auto™ integration. Further conveniences include available STARLINK® Concierge Services^{4,6} and Remote Engine Start with Climate Control,^{4,6,9} which lets you set the perfect temperature from your smartphone.

Efficient

It's fun to make stops along the way—but not if you're constantly refueling. On a single tank, the Forester can go over 530 miles¹⁰ and combines up to 33 highway MPG¹¹ with the all-road confidence of standard Subaru Symmetrical All-Wheel Drive. Thanks to its 182-hp, direct injection SUBARU BOXER® engine and auto start-stop technology, you'll keep the journey going and the extra fuel stops to a minimum.

¹ Based on Experian Automotive vehicles in operation vs. total new registrations for MY2013–2022 as of December 2022. ² EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible, and system effectiveness depends on many factors. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations. ³ Automatic Emergency Steering is a system designed to assist the driver. It is not a substitute for safe and attentive driving. Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. See your Owner's Manual for complete details, including important system limitations. Availability varies by trim level. ⁴ Availability varies by trim level. See your Subaru retailer for details. ⁵ The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. ⁶ Activation with subscription required. Includes a 3-year trial subscription to STARLINK Safety Plus services and a 6-month trial subscription to STARLINK Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details. ⁷ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁸ Without available power moonroof. ⁹ Requires Keyless Access with Push-Button Start. Not available in all states. See your Subaru retailer for details. ¹⁰ Based on EPA-estimated fuel economy for 2024 Forester trim levels at 33 highway MPG and 16.6-gallon fuel tank. Does not apply to Forester Wilderness. Actual range may vary. See your Subaru retailer for details. ¹¹ EPA-estimated fuel economy for 2024 Forester trim levels at 33 highway MPG. Does not apply to Forester Wilderness. Actual mileage may vary. See your Subaru retailer for details.

Forester Premium in Horizon Blue Pearl with optional equipment.

Forester Limited with Gray Leather and optional equipment.

74.2 cubic feet of cargo space¹

Raised roof rails²

Spacious cabin

Dual-function X-MODE²

Fits your life.
And wherever you
want to take it.

Extremely adaptable

With up to 74.2 cubic feet of cargo space,¹ the Forester is designed to leave your options open—especially when you consider its extra-wide rear gate opening. With the available Power Rear Gate,² just the touch of a button gives you easy access to the vast cargo area. For more space, simply adjust the 60/40-split flat-folding rear seatback and secure any extra gear to the raised roof rails.² Once you're all packed, your passengers will still have plenty of room.

Expertly capable

The Forester lets nothing get in the way of an out-of-the-way place. With up to 9.2 inches of ground clearance³ and standard Subaru Symmetrical All-Wheel Drive, you can confidently take on a wide range of driving conditions. Thanks to its direct injection SUBARU BOXER engine, you can count on impressive power and excellent efficiency—both of which you can custom-tailor to your needs with standard SI-DRIVE®. When it comes to tougher roads, the available dual-function X-MODE® system with Hill Descent Control includes two specifically engineered settings: one for snow and dirt and one for deep snow and mud.²

¹ Without available power moonroof. ² Availability varies by trim level. See your Subaru retailer for details. ³ 9.2 inches of ground clearance for Forester Wilderness only.

Extra-wide rear gate opening

An extra set of eyes every time you drive.

Every Forester includes standard Subaru EyeSight Driver Assist Technology.¹ Equipped with a comprehensive suite of innovative safety features, EyeSight looks ahead, alerts you to potential dangers and can even intervene to help you avoid a collision.

The 2023 Forester is an IIHS TOP SAFETY PICK

Forester Limited in Horizon Blue Pearl with optional equipment.

Automatic Emergency Steering²

Can help you avoid a collision by providing automatic steering and pre-collision braking support if it determines there's enough space to intervene.

Pre-Collision Braking

Can help slow and bring your Forester to a full stop if necessary.

Advanced Adaptive Cruise Control with Lane Centering

Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Pre-Collision Throttle Management

Can reduce engine power to help give you more time to react and to help minimize possible impact force in case of a collision.

Lane Departure and Sway Warning with Lane Departure Prevention

If you accidentally begin to drift to the edge of your lane, EyeSight can alert you with visible and audible warnings before you cross over the lane markers. And when activated, Lane Departure Prevention can even help steer you back into your lane.

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible, and system effectiveness depends on many factors. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See your Owner's Manual for complete details on system operations and limitations. ² Automatic Emergency Steering requires Blind-Spot Detection. Availability varies by trim level. See your Subaru retailer for details.

Our best trait is our most important one, too.

Safety that meets the highest expectations.

To help protect you and your passengers, the Forester is equipped with our latest safety innovations. Standard LED Steering Responsive Headlights can help you see better around corners, while High Beam Assist can automatically dim and activate your high beams as needed. At the core of the Forester is the Subaru Global Platform, providing a rigid body structure for high crash-energy absorption, so every time you head out, your confidence will follow.

Forester Touring in Ice Silver Metallic.

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.¹ As an industry leader in safety, Subaru developed the DriverFocus Distraction Mitigation System,^{2,3} one of the first technologies of its kind. Engineered for both new and experienced drivers, it works together with EyeSight to help detect distracted or drowsy driving. If the driver's attention strays from the road for too long, DriverFocus can deliver visual and auditory alerts to bring attention back to the road.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{2,4} warns you with a visual indicator on your exterior mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your exterior mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{2,4} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your exterior mirror and standard Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{2,5} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Forester to a stop if it detects an object within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK Safety and Security

The Forester features the latest STARLINK Safety and Security^{2,6} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. And to get you started, new Forester drivers enjoy a free three-year STARLINK Safety Plus trial, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

1 Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2016, in Traffic Safety Research Notes. DOT HS 812 517. April 2018, National Highway Traffic Safety Administration: Washington, D.C. 2 Availability varies by trim level. See your Subaru retailer for details. 3 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operation and limitations. 4 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 5 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. 6 Activation with subscription required. Includes a 3-year trial subscription to STARLINK Safety Plus services and a 6-month trial subscription to STARLINK Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details.

A cabin space filled with intelligence, comfort and convenience.

Even before you step into your Forester, you can start it up and set the perfect temperature right from your smartphone with available Remote Engine Start with Climate Control.^{1,2,3} The moment you're inside, the driver seat, exterior mirrors and climate settings can automatically adjust to your pre-set preferences, thanks to the available DriverFocus^{1,4} system. For easy, intuitive connectivity, there's standard SUBARU STARLINK Multimedia with Apple CarPlay[®] and Android Auto[™] integration. Built-in Wi-Fi Hotspot capability lets passengers stream their favorite content, browse the internet and more.^{1,5} And with available STARLINK Concierge Services, you can search for points of interest, make reservations and even find event tickets—all while on the go.^{1,2}

Panoramic moonroof¹

Remote Engine Start with Climate Control^{1,2,3}

Heated rear seats and dual USB charge ports¹

Harman Kardon[®] premium audio system¹

8.0-inch touchscreen¹ with Apple CarPlay[®] integration

Engineered for
every day and every dream.

You can always look forward to the destination, but in the interior of the Forester, you can also look forward to the way there. High-quality soft-touch materials and up to 111.6 cubic feet of passenger space⁶ ensure a comfortable ride with no shortage of legroom. Up front, you'll find thoughtful details, including standard automatic climate control, an available eight-way power passenger seat¹ and an available heated steering wheel.¹ The second row offers available heated seats, air vents and USB charge ports.¹ Wherever you're sitting, you can enjoy the available panoramic moonroof overhead and the Harman Kardon[®] premium audio system, bringing your music to life through nine speakers and a 576-watt-equivalent amplifier.¹

1 Availability varies by trim level. See your Subaru retailer for details. 2 Activation with subscription required. Includes a 3-year trial subscription to STARLINK Safety Plus services and a 6-month trial subscription to STARLINK Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details. 3 Requires Keyless Access with Push-Button Start. Not available in all states. See your Subaru retailer for details. 4 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operation and limitations. 5 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your Subaru retailer for details. 6 Without available power moonroof.

The unpaved world
is officially open.

The Forester Wilderness

Nothing sounds too remote when you're in the Forester Wilderness. With dual-function X-MODE, 9.2 inches of ground clearance and gearing that's engineered to optimize climbing performance, this Forester is designed to meet the demands of the terrain. Inside and out, there's function and purpose, from its StarTex® water-repellent upholstery to its 17-inch wheels with all-terrain tires. Plus, we've increased its approach, departure and breakover angles. The Forester Wilderness has wider roof rails with a greater static roof load capacity, and it can tow up to 3,000 pounds,¹ so you can bring all the gear you need into that unpaved world.

¹ Trailer brakes may be needed. Some safety features, including X-MODE, Blind-Spot Detection and Rear Cross-Traffic Alert, may not function properly when towing. See your Subaru retailer for details.

2024 Forester | Trim Levels

Forester

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER engine with direct injection and auto start-stop technology
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- Lineartronic® CVT (Continuously Variable Transmission)
- 1,500-lb. towing capacity¹
- SI-DRIVE Engine Performance Management
- 17-inch steel wheels with covers
- Auto-on/off LED Steering Responsive Headlights with High Beam Assist
- Daytime Running Lights (DRL)
- Cloth upholstery
- 6-way manually adjustable driver seat and 4-way manually adjustable front-passenger seat.
- SUBARU STARLINK 6.5-inch Multimedia with Apple CarPlay® and Android Auto™ integration, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB input port, Bluetooth® audio streaming & hands-free phone connectivity and 3.5-mm auxiliary jack
- EyeSight Driver Assist Technology²: Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning with Lane Departure Prevention, Advanced Adaptive Cruise Control with Lane Centering
- Automatic climate control system
- Multifunction display
- LED dome light
- Driver auto-up/down power window
- Cargo-area headliner hooks
- Rear-Vision Camera
- 60/40-split flat-folding rear seatback
- Rear Seat Reminder
- 8 airbags (SRS)⁴: dual-stage deployment driver and front-passenger, driver's knee, front-passenger seat cushion, front and rear outboard occupant side curtain with rollover sensor, and seat-mounted front side impact
- Whiplash-reducing front seats with height- and tilt-adjustable head restraints
- Pretensioner and force limiter equipped height-adjustable 3-point front seatbelts and 3-point seatbelts for all rear seating positions
- LATCH system: Lower Anchors and Tethers for CHildren

Optional Packages

Option Package (OP 02): • Alloy Wheel Package: 17-inch aluminum-alloy wheels and raised roof rails with tie-down points

Forester Premium

Includes Forester key features and adds:

- X-MODE with Hill Descent Control
- 17-inch alloy wheels
- LED fog lights
- Panoramic moonroof
- Roof rails with tie-down points
- 1,500-lb. towing capacity¹
- Crystal Black Silica rear spoiler
- Body-color exterior mirrors
- Privacy glass
- Premium cloth upholstery
- Keyless Access with Push-Button Start
- 10-way power-adjustable driver seat
- SUBARU STARLINK 6.5-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, SiriusXM®⁵ including 4-month Platinum Plan and SiriusXM Travel Link®⁶ trial, high-resolution LCD touchscreen display, AM/FM/CD player, HD Radio®, dual USB input ports, Bluetooth® audio streaming, handsfree phone and text messaging connectivity and 3.5-mm auxiliary jack
- Leather-wrapped steering wheel
- Center console rear vents
- STARLINK Safety and Security enabled⁶: Advanced Automatic Collision Notification, SOS Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Remote Engine Start with Climate Control,⁷ Remote Lock/Unlock, Concierge Services and more
- 6 speakers
- 4G LTE Wi-Fi Hotspot capability⁸
- All-Weather Package: Heated exterior mirrors and front seats and windshield wiper de-icer
- Driver and front-passenger auto-up/down power windows
- Reclining rear seatback
- Rear center armrest with dual cup holders
- Cargo-area cover

Optional Packages

Option Package (OP 15): • Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹ • Automatic Emergency Steering³ • Power Rear Gate • Dual rear USB charge ports • 6.3-inch color multifunction display

Forester Sport

Includes Forester Premium key features and adds:

- Dual-function X-MODE with Hill Descent Control
- SI-DRIVE with Sport Sharp (S#) mode
- 18-inch black finish alloy wheels
- Roof rails with orange finish tie-down points
- Front, rear and side underguards with orange accents
- 1,500-lb. towing capacity¹
- Body-color exterior mirrors with integrated turn signals
- Orange and Crystal Black Silica exterior accents
- Gray Sport Cloth with leather shifter
- Orange stitching and interior trim accents
- Sport gauges with color LCD display
- 6.3-inch color multifunction display
- Dual rear USB charge ports
- LED cargo and rear gate light
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹
- Automatic Emergency Steering³
- Cargo-area tray

Optional Package

Option Package (OP 24): • Reverse Automatic Braking¹⁰ • SUBARU STARLINK 8.0-inch Multimedia Plus • Harman Kardon® premium audio system • Power Rear Gate

Forester Wilderness

Includes Forester Premium key features and adds:

- 17-inch matte black finish alloy wheels and Yokohama® Geolandar® All-Terrain tires
- 9.2 inches of ground clearance
- Dual-function X-MODE with Hill Descent Control
- Enhanced Lineartronic CVT gearing and rear differential
- 3,000-lb. towing capacity¹
- SI-DRIVE with Sport Sharp (S#) mode
- Engine skid plate
- Hexagonal LED fog lights
- Forester Wilderness exterior underguards, fender flares and side cladding
- Forester Wilderness-design front grille
- Matte-black, anti-glare hood decal
- Subaru Wilderness badging on front doors and rear gate
- Black badging
- Body-color rear spoiler
- Wider roof rails with increased static load-carrying capacity and 6 Anodized Copper finish tie-down points
- Full-size spare tire
- Forester Wilderness Gray StarTex water-repellent upholstery with copper accent stitching
- Forester Wilderness all-weather floor mats
- Gunmetal metallic and Anodized Copper finish interior trim
- Forester Wilderness gauges with color LCD display
- SUBARU STARLINK 8.0-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, SiriusXM®⁵ including 4-month Platinum Plan and SiriusXM Travel Link®⁶ trial, 6 speakers, dual USB input ports and Bluetooth® audio streaming, hands-free phone and text messaging connectivity
- Dual-zone automatic climate control system
- 180-degree Front View Monitor
- Aluminum-alloy pedal covers
- LED cargo and rear gate light
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹
- Reverse Automatic Braking¹⁰
- One-touch folding rear seatback
- Cargo-area tray

Optional Package

Option Package (OP 22): • SUBARU STARLINK 8.0-inch Multimedia Navigation System • Harman Kardon® premium audio system • Power Rear Gate

Forester Limited

Includes Forester Premium key features and adds:

- Dual-function X-MODE with Hill Descent Control
- 18-inch alloy wheels
- 1,500-lb. towing capacity¹
- Body-color exterior mirrors with integrated turn signals
- Power Rear Gate
- Leather-trimmed upholstery
- SUBARU STARLINK 8.0-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, SiriusXM®⁵ including 4-month Platinum Plan and SiriusXM Travel Link®⁶ trial, 6 speakers, dual USB input ports and Bluetooth® audio streaming, hands-free phone and text messaging connectivity
- 6.3-inch color multifunction display
- Dual rear USB charge ports
- Dual-zone automatic climate control system
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹
- One-touch folding rear seatback
- Cargo-area tray

Optional Package

Option Package (OP 32): • SUBARU STARLINK 8.0-inch Multimedia Navigation System • Harman Kardon® premium audio system • Reverse Automatic Braking¹⁰ • Heated steering wheel

Forester Touring

Includes Forester Limited key features and adds:

- LED fog lights
- Touring 18-inch alloy wheels
- Silver metallic finish roof rails with tie-down points
- Exterior underguards with silver metallic finish trim
- 1,500-lb. towing capacity¹
- Satin chrome finish exterior mirrors with integrated turn signals and automatic reverse tilt
- Available Saddle Brown Leather-trimmed upholstery
- 2-position driver seat memory
- 8-way power-adjustable front-passenger seat
- Heated steering wheel and outboard rear seats
- SUBARU STARLINK 8.0-inch Multimedia Navigation System with Apple CarPlay® and Android Auto™ integration, SiriusXM®⁵ including 4-month Platinum Plan, SiriusXM Traffic®¹¹ and SiriusXM Travel Link®¹¹ trials, dual USB input ports and Bluetooth® audio streaming, hands-free phone and text messaging connectivity
- Harman Kardon® 576-watt-equivalent premium audio system with 9 speakers
- DriverFocus Distraction Mitigation System¹²
- DriverFocus hand gesture-activated temperature adjustment
- Reverse Automatic Braking¹⁰
- LED cargo and rear gate light

Forester | Accessories

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion. The Cargo Net can be used two ways: Anchor it to the sides of the cargo area to help prevent shifting from front to back, or lay it across the floor to help keep things from rolling around.

Door Edge Guards. Help protect your door edges from dings and chips with custom-fit, body-color-matched Door Edge Guards. They help preserve the appearance of your Subaru while seamlessly blending into the door design.

Rear Bumper Cover. Helps protect the upper surface of the painted rear bumper from scratches and dings.

Mud Flaps. Designed to protect your Forester from the elements while also preventing minor road debris from kicking up behind your vehicle. Durably constructed to minimize water, dirt and mud spray. Special Edition for Forester Wilderness.

Subaru Loves Pets®

Introducing Genuine Subaru Pet-friendly Accessories.

Pet Harness. Keep your dog safe with this crash-tested Pet Harness, certified by the Center for Pet Safety for dogs from 18 to 90 pounds. Manufactured by Sleepypod® in signature Subaru blue, the Pet Harness can also be used for walking your dog. Available in S, M, L or XL.

Seat Cover – Rear. Keep your back seat tidy with this custom-fitted seat cover, made with water-resistant, heavy-duty materials.

Console Lid Protector. Protects the center console lid surface from nail scratches and puncture holes, while providing a comfortable armrest for front-seat passengers.

Pet Rear Door Protector. Protect your door panel from scratches, punctures, scuffs, dirt and even drool. This light-yet-durable accessory is easy to install and designed to fit the contours of your door seamlessly. Comes in a set of two.

Not intended for use with human passengers in the back seat. Not recommended for use with aftermarket rear window tint.

Pet Carrier and Mobile Pet Bed. This multi-functional ultra-plush pet bed doubles as a carrier to safely transport your pet in comfort. Manufactured by Sleepypod®, this accessory is crash-tested and certified by the Center for Pet Safety.

Pet-friendly Padded Cargo Liner. Thick padding and a durable polyester shell provide a comfortable resting area for your pet while protecting the cargo and seatback areas. This accessory includes a foldout bumper protector and is compatible with the 60/40 seats up or down.

Collapsible Pet Kennel. Portable, compact and lightweight, the Collapsible Pet Kennel, manufactured by Thule®, is ideal for travel and for everyday transport. Includes a carrying handle for easy transport and two pockets to carry your pet's personal cargo. Available in medium and large.

Pet Ramp. Give your canine companion easy access to your Subaru. This sturdy, foldable Pet Ramp supports up to 220 lbs. and is especially suited for senior dogs and those with mobility issues, thanks to its non-slip design and high-grip ridged surface.

Rear Seatback Protector. Provides additional protection to the rear seatback when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray.

Door Scuff Protector – Front. A durable, easy-to-clean plastic shell that protects your doors from common shoe scuffs and other scrapes when entering and exiting your vehicle. The unique texture complements the design of the Forester. Comes in a set of two.

Body Side Molding. Color-matched molding helps protect vehicle doors from parking lot dings while attractively blending with the lines of the car.

Auto-Dimming Exterior Mirrors with Approach Light. To enhance nighttime driving safety, these mirrors help reduce headlight glare by dimming based on the level of light detected by the Auto-Dimming (Interior) Mirror. They also help illuminate the ground before you enter your vehicle, thanks to LED lights located behind the Subaru logo in each mirror. Requires Auto-Dimming (Interior) Mirror.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet and are precision-engineered to withstand a series of functional and durability evaluations to help ensure the liners will not warp, fade or tear.

Trailer Hitch. Rated at 150 lbs. tongue weight with 1,500 lbs. of towing capacity. Forester Wilderness is rated at 300 lbs. tongue weight with 3,000 lbs. capacity. Hitch ball not included. Ball mount sold separately. Trailer brakes may be required by your state for heavier loads. Consult your Owner's Manual for more information.

Cargo Tray. Helps protect the trunk area from stains and dirt while providing a surface that helps reduce the shifting of cargo while driving.

Auto-Dimming Mirror with Compass and HomeLink®. Detects glare and darkens automatically to protect your vision. This accessory features an 8-point digital compass and HomeLink®, which can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener.

Let nothing hold you back.

When your passion is even bigger than your cargo area, Genuine Subaru active lifestyle accessories manufactured by Thule® are a smart way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards and more. Each carrier safely attaches to your roof rack when equipped with a Crossbar Set, and the available Thule® Portable Step can help you easily access everything.
