

# WRX | 2025

The Subaru WRX. The rally legend for the next generation.

## How do you spell victory with three letters?

WRX—it's the street car shaped by motorsports. With 18 United States national rally championship titles,<sup>1</sup> this all-wheel drive legend delivers precision and power to each movement—but you could probably guess that just from the sound of its turbocharged SUBARU BOXER® engine. So experience the WRX for yourself. Then you'll truly know what it's all about.

**Quick**

With its 2.4-liter turbocharged SUBARU BOXER engine and broad torque curve, the WRX puts power right where you need it. No matter how you shift, the connection is immediate, thanks to a six-speed close-ratio manual transmission or the available Subaru Performance Transmission with paddle shifters.<sup>2</sup>

**Responsive**

The WRX delivers more of what it's already built its name on: precision and control. Its point-and-shoot 13.5:1 dual-pinion steering system works in unison with standard Subaru Symmetrical All-Wheel Drive to make maneuvers feel intuitive.

**Fine-tuned**

Meticulous engineering went into honing the WRX. It's built on the latest Subaru Global Platform, with improved chassis rigidity to enhance both handling and safety. This is paired with a track-tuned suspension to deliver stability and confidence.

<sup>1</sup> Subaru Motorsports USA has won overall Rally America and American Rally Association (ARA) championship titles 18 times between 2006-2024. <sup>2</sup> Availability varies by trim level. See your Subaru retailer for details.

Two ways to satisfy that  
**performance obsession.**

WRX GT in Magnetite Gray Metallic.

## WRX GT

Push your custom-tailored experience even further with the WRX GT. With its Drive Mode Select feature, you can personalize the dynamics of your drive by choosing from four preset options—or go rogue in Individual Mode. Precision and performance are heightened by electronically controlled dampers and the Subaru Performance Transmission, which is engineered to upshift and downshift with immediacy. You'd be on the edge of your seat, but Recaro® front seats have you locked in place.

Subaru Performance Transmission

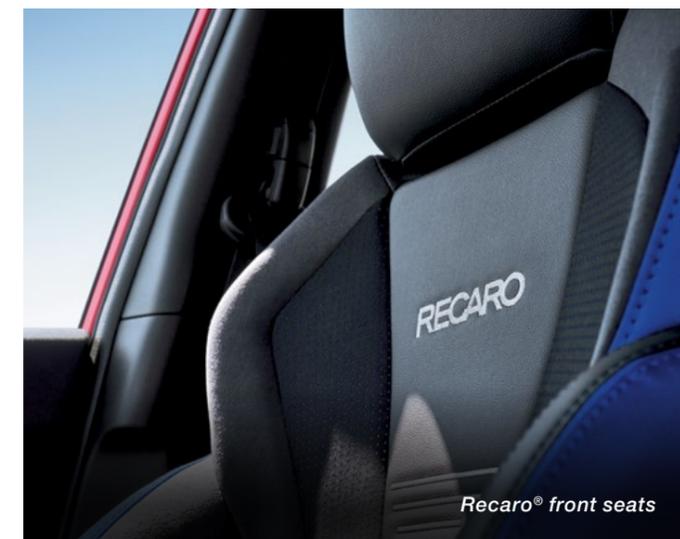

18-inch aluminum-alloy wheels

WRX tS in Ignition Red.

Brembo® high-performance brakes

Recaro® front seats

## WRX tS

It's the WRX in its purest form, and you can only get it with a manual transmission. The WRX tS is designed for ultimate performance with STI-tuned, electronically controlled dampers and 19-inch wheels. Authoritative braking power is delivered by Brembo® six-piston front and dual-piston rear monoblock calipers and cross-drilled rotors. Fine-tune the way your WRX drives with the Drive Mode Select feature, providing customizable handling and responsiveness. Strap into the Recaro® seats and get to know the true spirit of the WRX.

WRX Limited with Black/Red Ultrasuede® & Leather

60/40-split flat-folding rear seatback

Wireless Apple CarPlay®

Leather-wrapped D-shaped steering wheel

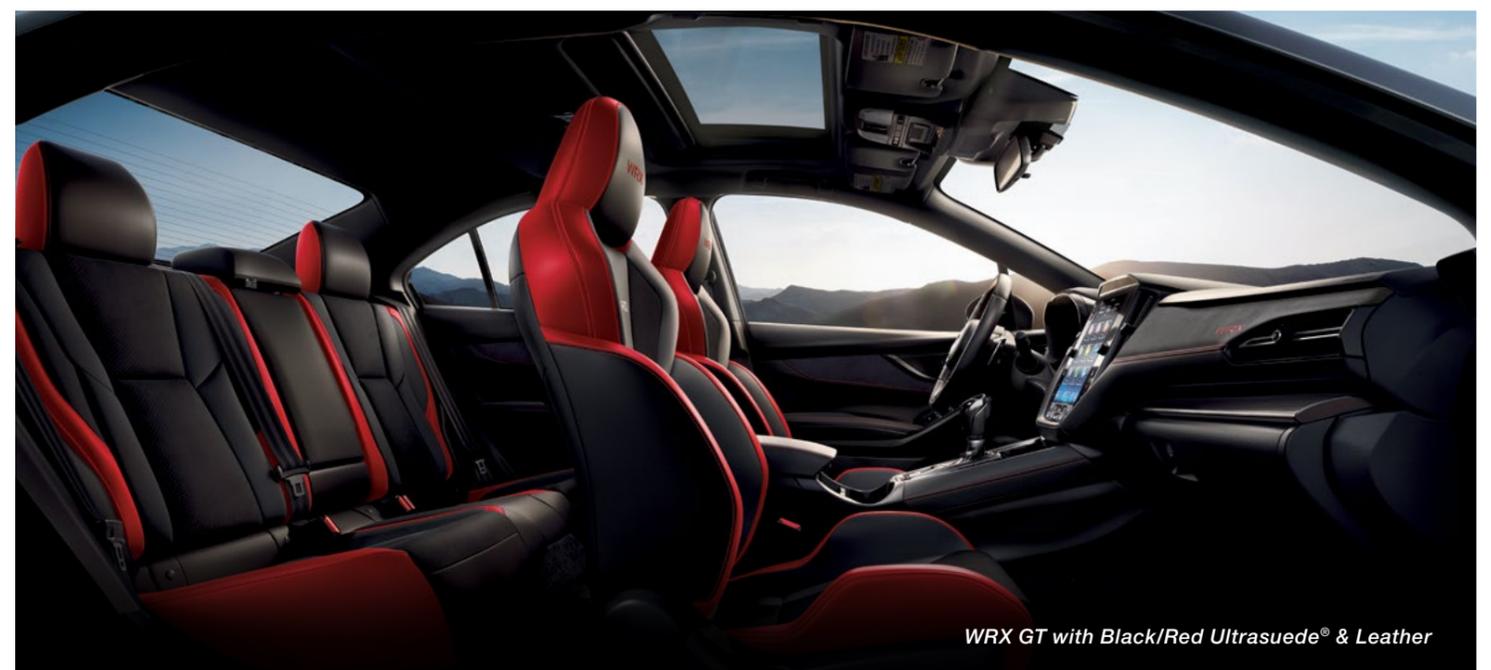

Interior comfort

## Where you and performance **connect.**

It's comfortable, but it also gets your heart pumping. Inside the WRX, every detail caters to the driver's intuition—from the placement of the controls and D-shaped steering wheel to the available Ultrasuede® seats.<sup>1</sup> Connectivity and engagement are seamless, thanks to the standard Subaru Multimedia System with wireless Apple CarPlay® and Android Auto™ integration, along with a standard 11.6-inch touchscreen. Ease and versatility extend beyond the driver's seat—a spacious trunk and 60/40-split flat-folding rear seatback make the WRX capable of much more than weekend joy rides.

<sup>1</sup> Availability varies by trim level. See your Subaru retailer for details.

WRX GT with Black/Red Ultrasuede® & Leather

A dark blue Subaru WRX is shown from a high-angle rear perspective, driving on a winding asphalt road that curves through a hilly, brush-covered landscape. The car is in motion, with a blurred background suggesting speed. The rear of the car features a spoiler, dual exhaust tips, and a license plate that reads "EBP 711". Badges for "SUBARU", "AWD", and "WRX" are visible on the rear. The overall scene is captured in bright, natural light, emphasizing the car's sleek design and the rugged terrain.

**Precision.**  
An approach and outcome.

Down to its core, the WRX is engineered to perform. It's built on the Subaru Global Platform, which provides high torsional and suspension mounting rigidity and is stiffer for even tighter handling. Delivering blazingly fast upshifts and downshifts, the Subaru Performance Transmission<sup>1</sup> uses shift logic to downshift before a turn, hold a gear through the turn and upshift at precisely the right moment—all automatically. Even the rally-inspired styling of the WRX is functional, with its air vents, cladding texture and underbody covers all helping to improve aerodynamics.

## An extra set of eyes every time you drive.

Every WRX includes standard Subaru EyeSight® Driver Assist Technology,<sup>1</sup> a suite of systems designed to watch the road, alert you and even intervene if necessary. EyeSight includes Advanced Adaptive Cruise Control with Lane Centering, Pre-Collision Braking, Lane Departure and Sway Warning with Lane Departure Prevention, plus available Automatic Emergency Steering.<sup>2</sup> Pre-Collision Throttle Management—another feature of EyeSight—comes standard on all WRX vehicles with the Subaru Performance Transmission.

## 2025 WRX | Trim Levels

### WRX Premium

- 271-hp twin-scroll turbocharged 2.4-liter 4-cylinder SUBARU BOXER engine
  - Subaru Symmetrical All-Wheel Drive
  - 6-speed manual transmission with Incline Start Assist
  - Sport-tuned suspension
  - 18-inch aluminum-alloy wheels. Dark gray finish.
  - Auto-on/off LED headlights with High Beam Assist
  - LED fog lights and LED taillights
  - Body-colored low-profile trunk spoiler
  - Front and rear under spoilers
  - Rear bumper with integrated diffuser
  - Exhaust system with quad stainless-steel outlets
  - Fixed roof crossbar mounting points
  - All-Weather Package: Includes heated exterior mirrors, 3-mode heated front seats and windshield wiper de-icer
  - Keyless Access with Push-Button Start
  - Premium black cloth upholstery
  - Performance-design front seats with red stitching
  - 60/40-split flat-folding rear seatback
  - Leather-wrapped D-shaped steering wheel
  - Tilt/telescoping steering column
  - Subaru 11.6-inch Multimedia Plus System with wireless Apple CarPlay® and Android Auto™ integration and 6 speakers
  - Leather-wrapped shifter handle
  - Front USB-A and USB-C input ports and audio jack
  - Dual-zone automatic climate control system
  - Rear USB-A and USB-C charge ports
- MySubaru® Connected Services enabled<sup>3</sup>
  - Auto-up/down front and rear windows
  - EyeSight Driver Assist Technology<sup>1</sup>: Pre-Collision Braking System, Lane Departure and Sway Warning with Lane Departure Prevention, Advanced Adaptive Cruise Control with Lane Centering
  - 7 airbags (SRS)<sup>4</sup>: dual-stage deployment driver and front-passenger, driver's knee, front and rear outboard occupant side curtain, and seat-mounted front side impact
  - Front/rear passenger seatbelt warning light/chime, rear-seat reminder and child-safety rear door locks
  - LATCH system: Lower Anchors and Tethers for CHildren
  - Rear-Vision Camera
  - DriverFocus® Distraction Mitigation System<sup>5</sup>

### Optional Package

Option Package (12): • Harman Kardon® 504-watt-equivalent premium audio system with 11 speakers  
• Power moonroof

Option Package (13): • Subaru Performance Transmission with paddle shifters, 8-speed manual mode and SI-DRIVE  
• Transmission oil cooler • EyeSight Driver Assist Technology with Pre-Collision Throttle Management<sup>1</sup>

### WRX Limited

#### Includes WRX Premium key features and adds:

- 18-inch aluminum-alloy wheels. Black finish.
- Auto-on/off LED Steering Responsive Headlights
- Body-colored exterior mirrors with integrated turn signals
- Ultrasuede® and leather-trimmed upholstery with red accents and stitching
- 10-way power adjustable driver seat
- Power moonroof
- Subaru 11.6-inch Multimedia System with Navigation
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert<sup>6</sup>
- EyeSight Driver Assist Technology with Automatic Emergency Steering<sup>1</sup>

- Harman Kardon® 504-watt-equivalent premium audio system with 11 speakers

### Optional Package

Option Package (23): • Subaru Performance Transmission with paddle shifters, 8-speed manual mode and SI-DRIVE  
• Transmission oil cooler • EyeSight Driver Assist Technology with Pre-Collision Throttle Management<sup>1</sup>  
• Reverse Automatic Braking<sup>7</sup>

### WRX GT

#### Includes WRX Limited key features and adds:

- Subaru Performance Transmission with paddle shifters, 8-speed manual mode and SI-DRIVE
- Transmission oil cooler
- Electronically controlled dampers
- Drive Mode Select
- EyeSight Driver Assist Technology with Pre-Collision Throttle Management<sup>1</sup>

- Reverse Automatic Braking<sup>7</sup>
- 12.3-inch full LCD digital gauge cluster
- Ultrasuede® and leather-trimmed upholstery with red accents and stitching
- Recaro® performance-design front seats
- 8-way power adjustable driver seat

### WRX tS

#### Includes WRX Limited key features and adds:

- 19-inch aluminum-alloy wheels. Satin gray finish.
- STI-tuned electronically controlled dampers
- tS-tuned Drive Mode Select
- Brembo® high-performance braking system
- Crystal Black Silica exterior mirrors, shark fin antenna and low-profile trunk spoiler
- WRX tS rear badging
- STI-branded 12.3-inch full LCD digital gauge cluster
- Ultrasuede® and leather-trimmed upholstery with blue accents and stitching
- Recaro® performance-design front seats

- 8-way power-adjustable driver seat
- STI Starter Switch
- Power moonroof delete

## 2025 WRX | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit [subaru.com](http://subaru.com)

**Thule® Bike Carrier – Roof-Mounted.** Manufactured by Thule®, this bike carrier features self-adjusting jaws that automatically wrap around the downtube for precise frame hold and ratcheting straps that secure the front and rear wheels. Adjustable mounting clamps make it easy to install and switch between multiple (compatible) vehicles. Fits most 20" to 29" wheel bikes with tires up to 2.6" wide. Includes one lock to securely lock the bike to the carrier.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

**Crossbar Set – Fixed.** Increase your vehicle's cargo-carrying capabilities by adding a crossbar set. These fixed-style crossbars can be installed or removed in minutes. May be used in conjunction with Genuine Subaru roof attachments and carriers. Total roof load weight limit of 88 lbs. Consult vehicle Owner's Manual for total roof load limit.

**STI Under Spoiler – Side.** Give your vehicle a ground-hugging look down the rocker panels of the WRX. Kit includes both left and right side under spoilers. Includes STI logo.

**Body Side Molding.** Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

**Thule® Cargo Carrier.** Manufactured by Thule®, the Cargo Carrier provides 13 cubic feet of lockable storage capacity and features a dual-side opening for easier loading and unloading from either side of the vehicle. The low-profile aerodynamic design provides increased garage access without sacrificing box capacity, and the Quick-Grip® mounting system allows for an easy, tool-free installation and removal. Measures 65" L x 34.5" W x 16" H.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

**Thule® Kayak Carrier.** Manufactured by Thule®, the steel design and adjustable padding help protect your kayak, and the wide-mouth profile offers easier loading and unloading. The J-style carrier folds down when not in use for increased overhead clearance and improved fuel economy. Cradles and securely transports one kayak up to 36" wide and up to 75 lbs. Includes straps and tie-downs for transporting.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

**Cargo Net.** Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

**Vortex Generator.** Add a stylish look of performance to your WRX.

**All-Weather Floor Liners.** Custom-fitted, high-wall-design floor liners help protect the vehicle carpet from accidental spills, sand, snow, mud, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

**Sport Grille.** Create a custom look for the front end of your WRX by replacing the stock factory grille with an accessory Sport Grille.

**Thule® Paddleboard Carrier.** Manufactured by Thule®, the telescoping design of this stand-up paddleboard (SUP) carrier provides a custom fit for boards up to 34" wide and can hold up to two boards. Heavy-duty, steel-reinforced webbing provides security, while the soft, weather-resistant padding helps to protect your boards during transit.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

**Thule® Heavy-Duty Roof Cargo Basket.** Manufactured by Thule®, the Heavy-Duty Roof Cargo Basket provides additional storage space with easy access to gear of all shapes and sizes. The low-profile design and tapered side walls allow for easy loading and unloading. Includes a black stretch net with hooks and custom fairing to help deflect wind. Measures 50.25" L x 41" W x 6" H.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

**Side Sill Plates – Illuminated.** Illuminated side sill plates feature the WRX logo in bright white lighting and add an attractive accent to the doorframe. Lighting is activated when the door is opened and turns off when the door is closed. Engineered to stand up to everyday wear and tear to keep your doorframe safe from scratches and scuffs.

**STI Starter Switch.** Upgrade the stock push start button with the STI Starter Switch. The cherry red button with the STI logo in the center gives the interior of your WRX a sporty appearance.

## Take your **WRX** to the next level.

Customize and personalize with a wide range of functional and stylistic accessories developed in part by Subaru Tecnica International. Each is designed specifically for the WRX and crafted for optimal performance.

## Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. And to protect you over the long haul, we offer Added Security<sup>®</sup>, which helps protect your car for up to 10 years or 100,000 miles with extended service agreements and maintenance plans backed by Subaru. And because we've been backing them for more than 30 years, they're agreements you can trust. Your Subaru retailer has full coverage details.

## More Than a Car Company<sup>®</sup>

For us, love is about the commitments we make. The Subaru Love Promise<sup>®</sup> is our vision to show love and respect to all people and the planet we all share. Subaru is headquartered in a zero-landfill office in Camden, N.J., and in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

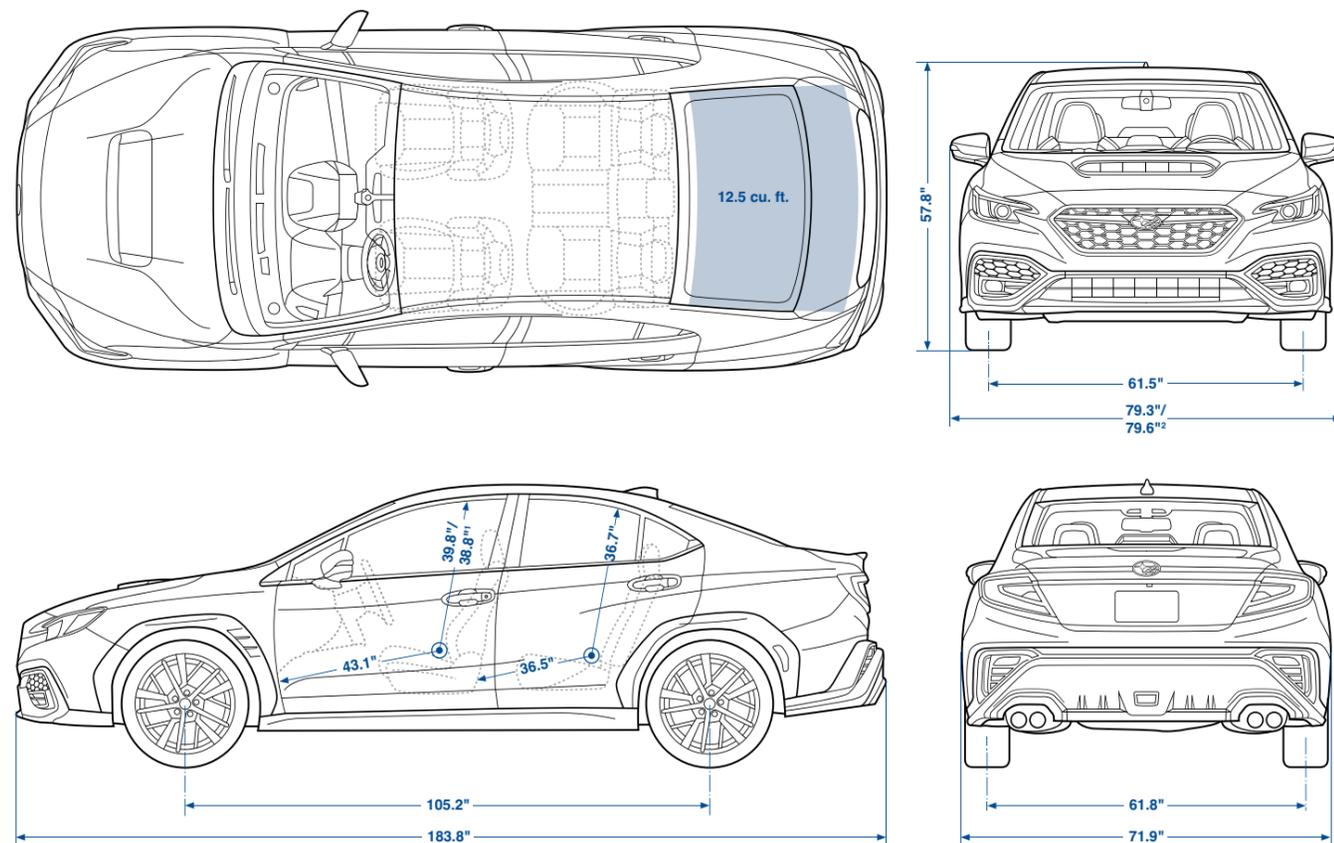

## Warranties<sup>15</sup>

<b>New Car Limited Warranty</b>	3 years or 36,000 miles, whichever comes first.	
<b>Powertrain Limited Warranty</b>	5 years or 60,000 miles, whichever comes first.	
<b>Wear Item Limited Warranty</b>	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	<ul style="list-style-type: none"> <li>• Brake Pads</li> <li>• Wiper Blades</li> <li>• Clutch Linings</li> </ul>
<b>Rust Perforation Limited Warranty</b>	5 years, unlimited mileage.	
<b>24-hour Roadside Assistance</b>	3 years or 36,000 miles, whichever comes first.	

Visit [subaru.com](https://subaru.com) for the most up-to-date product information.

<sup>1</sup> EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control, Brake Light Recognition and Automatic Emergency Steering are designed to assist the driver and are not substitutes for safe and attentive driving. Automatic Emergency Steering requires Blind-Spot Detection and works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. The Lane Departure and Sway Warning with Lane Departure Prevention operates only when the lane markings are visible, and its effectiveness depends on many factors. See your Owner's Manual for complete details on system operation and limitations. <sup>2</sup> Automatic Emergency Steering requires Blind-Spot Detection. Availability varies by trim level. See your Subaru retailer for details. <sup>3</sup> Activation with subscription required. Includes a three-year trial subscription to Safety services and a six-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by model and trim level. May not be available in all states. Please contact your local authorized Subaru retailer for more information. <sup>4</sup> The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See your Owner's Manual for recommended seating position. <sup>5</sup> The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operations and limitations. <sup>6</sup> Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. <sup>7</sup> The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. <sup>8</sup> Available only with other features. See optional equipment listing on trims page. <sup>9</sup> 2025 EPA fuel economy estimates. Actual mileage may vary. <sup>10</sup> Consumer Reports does not endorse products or services. <sup>11</sup> Based on Experian Automotive total registrations among all-wheel-drive vehicles (excluding trucks and vans) from January 2014-December 2023. <sup>12</sup> Based on Experian Automotive vehicles in operation vs. total new registrations for MY2014-2023 as of December 2023. <sup>13</sup> SiriusXM Trial Subscription: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. <sup>14</sup> Requires Subaru Performance Transmission. See your Subaru retailer for details. <sup>15</sup> All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty & Maintenance Booklet for further details. <sup>16</sup> Premium paint at additional cost. See your Subaru retailer for details.

## 2025 WRX | Dimensions

<b>Length/Width/Height</b>	183.8 inches/71.9 inches (79.3/79.6 inches)/57.8 inches	<b>Headroom (front/rear)</b>	39.8 inches/36.7 inches (with moonroof: 38.8 inches/36.7 inches)

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process." The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 11 trees preserved for the future; 2,000 gallons of wastewater flow saved; 50 lbs solid waste not generated; 6,400 lbs net greenhouse gases prevented; 5,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2025 Subaru of America, Inc. 25.WRXSRB.525 (DSGN-603, 20K, 3/25, KSL)

Love. It's what makes Subaru, Subaru.®
