The only coverage backed by Subaru.

**Protecting your Subaru
on the road ahead.**

Protecting Subaru customers for over 30 years.

Added Security® – ask for it by name!

Added Security plans are extended service agreements designed to protect your Subaru beyond the coverage provided by your original manufacturer's warranty. They are exclusively for Subaru vehicles and backed by the company that cares most about your long term satisfaction, Subaru.

Only Subaru Added Security® covers:

- Wear and tear (For example, low engine compression, excess oil consumption due to worn engine components).
- Consequential damage (For example, if a brake caliper fails causing the brake pad to require replacement, Added Security covers all related components).
- Struts and CVJs (Even torn CV boots are covered!)
- These items are frequently excluded by other, after-market plans.

A single repair could mean your Added Security agreement has paid for itself. Choose to protect your investment with the company that knows your vehicle best, Subaru.

Added Security[®] extended service agreements offer you:

Value

- Extensive coverage with each of our plans, from basic to high-tech repairs.
- Limited or no out of pocket expense on covered repairs (based on deductible).
- Plans can be included in your car financing.
- Plans are transferable, enhancing the resale value of your Subaru.

Confidence

- Honored at a service network of over 600 Subaru dealers throughout the U.S. and Canada.
- Subaru employees authorizing your repairs.
- Subaru trained service technicians using only Genuine Subaru Parts.

Convenience

- Towing and rental car coverage for covered repairs.
- Reimbursement for meals and lodging.
- A large dealer network insuring help is always close by.

Major Component Coverage

Added Security is available in many different levels of coverage to suit your budgetary and driving needs. Many plans to choose from covering up to 10 years or 100,000 miles.

Classic plan coverage protects you from repair expense in most major component areas. With this level of protection, Added Security may be the most important option you choose for your new Subaru.

The Classic Plan includes:

- Engine
- Transmission
- Drive-train
- Suspension
- Steering
- Brakes
- Electrical
- Cooling
- Fuel Systems
- Air conditioning
- Towing and rental car benefits for covered repairs

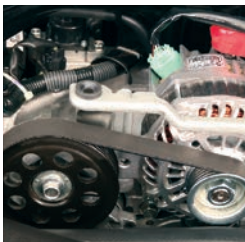

The Gold Standard of Coverage

Gold Plus plans include all Classic plan coverage plus hundreds more parts. In fact the list of covered items is so long it would be easier to list the excluded items (for example) items such as glass, trim and upholstery, and batteries).

The Gold Plus Plan also includes:

- Trip interruption reimbursement for lodging and meals when a breakdown interrupts your out-of-town travel (up to \$500 if repair is over 50 miles from home).
- 24-hour emergency roadside assistance
- \$100 allowance for “Sign & Drive” dispatched towing
- Jump-start
- Tire change
- Gasoline delivery
- Locksmith service
- Computerized trip routing
- Dealer locator service and travel assistance
- High tech components, such as navigation systems HomeLink, DVD players and stereo components.
