Easy-View Plan Comparison Guide. Total protection and confidence, backed by Subaru.
Added Security® is the only mechanical breakdown coverage backed by Subaru of America, Inc. Because almost every Subaru includes highly advanced, complex systems such as EyeSight® Driver Assist Technology, it’s important to consider our Gold Plus plan because it covers all of the intricate components that can be very expensive to replace.

With all plans, if a covered component breaks, our certified Subaru technicians will fix it using only new or remanufactured Genuine Subaru Parts. Unlike third-party plans, Added Security also covers wear and tear of covered components, consequential damage to other components, struts, constant-velocity joints and many more parts.

Third-party agreements are designed to be profitable to the seller, but Subaru stands behind Added Security® because our goal is for you to have the best ownership experience possible.

There are two main plans:

**Classic Plan:** Covers most major components

**Gold Plus Plan:** Covers almost every other component in your vehicle. See the back cover for a partial list of covered components.

**What is Added Security®?**

All Plans include:

- **Towing Allowance**
  All plans provide an allowance if you need a tow due to a covered failure.

- **Rental Car Allowance**
  All plans provide an allowance for up to five days if your Subaru needs to be kept in the shop overnight for a covered repair.

**The Gold Plus Plan also includes:**

- **Trip Interruption Allowance**
  The Gold Plus Plan provides coverage of up to $500, per occurrence, towards your hotel and meals if you break down. While most third-party plans require the breakdown to be more than 100 miles from home, the Gold Plus Plan offers coverage at more than 50 miles.

**Additional Services**

- **Maintenance Plans**
  You can lock in the cost of regularly scheduled maintenance by including one of our Maintenance Plans when you purchase your Subaru. Simply select the plan that aligns with your vehicle’s recommended maintenance schedule. Also, every new-car Added Security Maintenance Plan includes a coupon worth $500 towards the purchase of your next new Subaru.
Plan

Powertrain Coverage
Powertrain coverage includes major engine, transaxle and differential components.

Plan

Gold Plus Coverage *
Gold Plus includes all Classic and Powertrain coverage, plus virtually every other part of your Subaru, including the components of our most sophisticated technologies.

Coverage includes:
• EyeSight® Driver Assist Technology¹
• Blind-Spot Detection²
• Rear Cross-Traffic Alert¹
• Reverse Automatic Braking³
• DriverFocus™ Distraction Mitigation System⁴
• STARLINK® Multimedia
• STARLINK® Safety and Security⁵

The Gold Plus Advantage
State-of-the-art technologies such as EyeSight® Driver Assist Technology¹ are made up of complicated parts that are often costly to replace. With Gold Plus, you can rest assured that all of these components are covered.

Plan

Classic Coverage
To protect your investment beyond the standard Subaru Warranty, Classic includes all Powertrain coverage, plus additional specific components/major systems.

Coverage includes:
• Cooling & Fuel
• Steering
• Suspension
• Brakes
• Electrical Systems
• Air Conditioning

Other Products

Subaru Equity Shield
Optimum Vehicle Protection (OVP) *
These additional protections can be purchased separately:
• Tire and Wheel Protection
• Windshield Protection
• Dent and Ding Protection

*See program details for further information, exclusions and state availability.
Plan

Powertrain Coverage

Powertrain coverage includes major engine, transaxle and differential components.

*Added Security® Gold Plus does not cover some components, including maintenance items, brake pads, windshield wiper blades, hoses, belts, and more. Please see your Subaru retailer for specific component coverage details.

Coverage includes:

- EyeSight® Driver Assist Technology
- Blind-Spot Detection
- Rear Cross-Traffic Alert
- Reverse Automatic Braking
- DriverFocus™ Distraction Mitigation System
- STARLINK® Multimedia
- STARLINK® Safety and Security

Coverage also includes:

- Air Bypass Valve
- Air Flow Meter
- Timing Chain Tensioner
- Timing Chain Guide
- Turbo Knuckle Bracket
- Turbo Oil Scavenge Pump
- Fuel Injection System including Intake
- Intake Manifold
- Intercooler and Duct
- Turbocharger Housing
- Turbo Inlet Elbow
- Wastegate Controller
- DDCD Center Differential
- DDCD Manual Switch, Control
- Car, Rear and Control Module
- Steering Angle Sensor
- Ball Joint Connector
- Double Offset Joints
- Rear Differential Assembly
- Front Differential Assembly
- Ambient Sensor
- Coolant Creepers and Pipe
- Coolant Heater Pipe
- Engine Fan
- Engine Oil Cooler Lines
- and Mounting Bolt
- Fan Control Amplifier
- Engine Temperature Sensor
- Heater Core Inlet/Outlet Pipe
- Idler Pulley
- In-Vehicle Sensor
- Radiator Fan Control Unit
- Radiator Reserve Tank and Bracket
- Spark Plug Sensor
- Thermostat and Thermostat Housing
- Throttle Body Coolant Pipe

Other Products

Subaru Equity Shield

Optimum Vehicle Protection (OVP)*

These additional protections can be purchased separately:

- Tire and Wheel Protection
- Windshield Protection
- Dent and Ding Protection

*See program details for further information, exclusions and state availability.

The Gold Plus Advantage

State-of-the-art technologies such as EyeSight® Driver Assist Technology are made up of complicated parts that are often costly to replace. With Gold Plus, you can rest assured that all of these components are covered.

*Added Security® Gold Plus does not cover some components, including maintenance items, glass, brake pads, windshield wiper blades, hoses, belts, and more. Please see your Subaru retailer for specific component coverage details.
**Powertrain**

**ENGINE**
- Engine Block and all internal parts
- Cylinder Heads and Valve Trains
- Oil Pan
- Timing Belts or Gears and Cover
- Water Pump
- Flywheel
- Intake and Exhaust Manifolds
- Oil Seals and Gaskets

**TRANAXLE AND DIFFERENTIAL**
- Transaxle Case and internal parts
- Torque Converter
- Electronic Transmission Control Unit
- Seals and Gaskets
- Axle Shafts and Constant Velocity Joints
- Propeller Shaft

**Subaru Equity Shield**

**Optimum Vehicle Protection (OVP)**

**TIRE AND WHEEL PROTECTION**

Coverage for tire repair or replacement or wheel replacement due to covered road hazard

**WINDSHIELD PROTECTION**

Covers Windshield Repairs (scraps, chips, bullseyes) under 6 inches long

**DENT AND DING PROTECTION**

Covers Paintless Dent Repair (and hail damage up to $1,000 of insurance deductible). All OVP products have unlimited claims, zero deductible, no aggregate limits.

*See program details for further information, exclusions and states availability.

**Added Security** Gold Plus does not cover some components, including maintenance items, brake pads, windshield wiper blades, hoses, belts, and more. Please see your Subaru retailer for specific component coverage details.

---

1. EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safely and attentively driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Cameras when backing up. See Owner’s Manual for complete details on system operation and limitations.

2. Hitch-Point Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during lane change or reversing and can not substitute for safe and attentive driving. 3. The Subaru Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Cameras when backing up. See Owner’s Manual for complete details on system operation and limitations.

4. The DriverFocus™ Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers if the driver’s face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by clothing or eyeglasses worn on the head or face. See Owner’s Manual for complete details on system operation and limitations. 5. Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Subaru and Safety Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.
