Stability and Traction

Subaru Symmetrical All-Wheel Drive

Standard	Standard	Standard	Standard	Standard

Vehicle Dynamics Control (VDC)

ⓘ Standard VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate, and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

Standard	Standard	Standard	Standard	Standard

Traction Control System (TCS)

ⓘ VDC also incorporates an all-wheel, all-speed traction control system that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

Standard	Standard	Standard	Standard	Standard

Active Torque Vectoring

ⓘ Active Torque Vectoring works in tandem with VDC, applying braking power to the inside front wheel resulting in better handling, sharper turn-in, more neutral steering, and higher cornering limits while turning.

Standard	Standard	Standard	Standard	Standard

ⓘ 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD), brake discs: 12.4 inches/11.8 inches (front/rear)

Standard	Standard	Standard	Standard	Standard

Brake Assist

ⓘ When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.

Standard	Standard	Standard	Standard	Standard

Brake Override System

ⓘ If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.

Standard	Standard	Standard	Standard	Standard

Auto Vehicle Hold (AVH)

ⓘ Auto Vehicle Hold (AVH) helps to reduce driver fatigue by holding the vehicle in place when the vehicle is stopped, after the brake pedal has been released. Utilizing VDC and the Electronic Parking Brake, AVH can hold the vehicle stationary on level, decline, or incline surfaces.

Accessories

Rockford Fosgate® Audio Upgrade

ⓘ Enhance your Legacy audio system to a new level of sound quality so you not only hear the music, but feel it. The Rockford Fosgate® audio upgrade consists of an amplifier, upgraded speakers, and an integrated digital signal processor tuned to align the system to the listener's preference. Not applicable to models with Harman Kardon® Premium Audio System with amplifier.

Optional	Optional	Not Available	Optional	Not Available

Wireless Charger

ⓘ Conveniently charge your phone without the hassle of tangled wires. The Wireless Charger is a Qi-Certified Device with Intelligent Charging Profiles, cell phone battery protection, temperature control technology, and short-circuit safe guards. Compatible with all Qi-enabled devices and Samsung Fast Charge enabled. Anti-Slip rubber insert safely holds your mobile device.

Not Available	Optional	Optional	Optional	Optional

Cargo Net

ⓘ Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Optional	Optional	Optional	Optional	Optional

Trunk Cargo Hook

ⓘ Conveniently helps to hold shopping bags upright. The hook folds out of the way when not in use. Each kit includes one hook.

Optional	Optional	Optional	Optional	Optional

All-Weather Floor Liners

ⓘ Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt, and moisture. Not intended for use on top of Carpeted Floor Mats.

Optional	Optional	Optional	Optional	Optional

Auto-Dimming Exterior Mirror with Approach Light

ⓘ Enhance your Auto-Dimming Mirror experience by adding the Auto-Dimming Exterior Mirrors with Approach Light.* Open or unlock the doors with the keyless entry system and LED lights located behind the Subaru logo in each exterior mirror help to light the way. Light is cast down onto the ground next to and toward the rear of the vehicle. When in traffic, the Exterior Auto-Dimming Mirrors help add to a safer driving experience by reducing headlight glare on the exterior mirrors. This occurs when excessive light is detected from the rear of the vehicle. The dimming level of the exterior mirrors is regulated by the level of light detected by the Auto-Dimming (Interior) Mirror. *Requires Auto-Dimming (Interior) Mirror.

Optional	Optional	Optional	Optional	Optional

Door Scuff Protectors

ⓘ A durable, easy-to-clean plastic shell that protects your doors from common shoe scuffs and other scrapes when entering and exiting your vehicle. Texture matched to blend in with your Legacy door panel. Comes in a set of four.

Optional	Optional	Optional	Optional	Optional

Rear Seatback Protector

ⓘ Warms engine coolant to promote easier starting in extreme cold conditions. Plugs into a household electrical outlet.

Optional	Optional	Optional	Optional	Optional

Seat Cover - Rear

ⓘ Keep your second row tidy with the custom-fitted rear seat cover. Machine washable, water resistant and latch accessible--this seat cover is great for kids, pets and life on the go. Made with a polyester front and polyurethane-coated back.

Optional	Optional	Optional	Optional	Optional

Footwell Illumination Kit

ⓘ Casts a soft white glow onto the front floor area.

Optional	Optional	Optional	Optional	Optional

1 EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations.

2 Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

3 DriverFocus is a driver recognition technology designed to alert the driver if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operations and limitations.

4 The glass information listed represents calculated reference values and may not represent actual values determined by testing.

5 EyeSight is a driver assist system which may not operate optimally under all driving conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations.

6 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit http://www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

7 Activation and required subscription sold separately. Includes trial subscription. See your retailer for details.

8 Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan.

9 Automatic Emergency Steering is a system designed to assist the driver. It is not a substitute for safe and attentive driving. Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. See Owner's Manual for complete details, including important system limitations. Availability varies by trim level.

10 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

11 Reverse Automatic Braking is a system designed to assist the driver by detecting objects to help avoid a possible collision when the vehicle is moving in a reverse direction. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.

12 Activation with subscription required. Includes a 3-year trial subscription to Safety services and a 6-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by vehicle and trim level. May not be available in all states. See Retailer for details.

13 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions, and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

Legal Disclaimers | * MSRP does not include destination and delivery charges, tax, title, and registration fees. Destination and delivery includes handling and inland freight fees and may vary in some states. Prices, specifications, options, features, and models subject to change without notice. Select colors may be subject to an additional charge. See your retailer for more information.

** EPA fuel economy estimates. Actual mileage will vary with driving conditions and your vehicle’s condition.

*** Limited warranties are contingent on age and mileage. Whatever comes first concludes the warranty.

† Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. To learn about Toyota’s connected services data collection, use, sharing and retention practices, please visit toyota.com/privacyvts

Safety Connect: Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances.

Remote Connect: Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote start/stop not available on manual transmission-equipped vehicles.

Drive Connect: Services not available in every city or roadway.

Service Connect: Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration.

Wi-Fi Connect: Eligible vehicle and wireless service required. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/solterra for terms and conditions. Up to 5 devices can be supported using in-vehicle connectivity. The Wi-Fi Connect trial begins at the time of enrollment activation and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires subscription for third-party provider services.

Subaru has the utmost respect for the environment and is a proud partner of Leave No Trace. Care was taken not to harm the environment when taking this photo.
