Stability and Traction

Vehicle Stability Control with Track Mode

ⓘ Standard Vehicle Stability Control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate, and lateral g-forces. If the system detects a difference between the driver's intended path and the one the vehicle is actually taking, it can apply braking power and/or reduce engine torque to help correct vehicle path.

Standard	Standard	Standard

Traction Control System (TCS)

ⓘ Vehicle Stability Control also incorporates an all-speed traction control system that senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

Standard	Standard	Standard

Chassis

Quick-ratio electric power-assisted rack-and-pinion steering (EPAS)

ⓘ Turning circle: 35.4 feet. Ratio: 13.5:1

Standard	Standard	Standard

Sport-tuned 4-wheel independent suspension

ⓘ 4-wheel independent suspension. Front: Strut type with lower L-arm. Stabilizer bar. Rear: Double wishbone.

Optional

Packages

Accessories

Auto-Dimming Mirror with Compass and HomeLink®

ⓘ This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision, while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Optional	Optional	Optional

Cargo Tray

ⓘ Helps protect the trunk area from sand, water, stains, dirt and other messes while providing a surface that helps reduce the shifting of cargo while driving.

Optional	Optional	Optional

Sunshade - Windshield

ⓘ The foldable Sunshade offers a triple layer of protection to help reduce vehicle temperature up to 40 degrees. The Sunshade is custom-cut to fit properly, and includes a handy storage bag.

Optional	Optional	Optional

Battery Charger and Maintainer

ⓘ Custom engineered for Subaru vehicles, the Battery Charger and Maintainer efficiently charges 12-volt lead acid batteries to maximize battery life. Comes with alligator clamps for quick connections and ring-terminals for more permanent connections, to help ensure you vehicle's battery is ready for your next adventure. Fully automatic charging with LED lights and countdown timer to indicate remaining charge time. 'Try' LED light indicates when you can attempt to start your vehicle. 'Reconditioning' mode restores deeply discharged batteries. Designed with a rubber bumper to protect both the accessory and the vehicle during use. Features reverse polarity protection

Optional	Optional	Optional

Door Scuff Protector

ⓘ A durable, easy to clean plastic shell that protects your doors from common shoe scuffs and other scrapes when entering and exiting your vehicle. The unique texture complements the design of the BRZ. Comes in a set of two.

Optional	Optional	Optional

Mud Flaps

ⓘ Help protect your BRZ paint finish from chips and the undercarriage from rust and corrosion. Genuine Subaru Mud Flaps are designed to serve as a protective barrier between the tires and wheel well to minimize water, dirt and mud spray and to help prevent minor road debris from kicking up behind your vehicle. Mud Flaps offer maximum protection with tough, durable construction and undergo a series of durability evaluations to help withstand a variety of weather conditions. Includes the BRZ logo.

Optional	Optional	Optional

Rear Bumper Applique

ⓘ Clear, scratch-resistant urethane film helps to protect bumper upper surface and leading edge. Includes a discrete pearl-colored Subaru logo.

Optional	Optional	Optional

Wheel Lug Nut and Lock Set - Black

ⓘ Match your dark colored wheels by changing all lug nuts to black for improved styling. Includes four locks and key to help deter theft of wheels and tires.

Optional	Optional	Optional

Exterior Graphics Kit - Side

ⓘ Add a stylish touch to your BRZ with graphics for the lower door panels. The Exterior Graphics Kit is constructed of durable PVC film in a gunmetal gray finish.

Optional	Optional	Optional

Footwell Illumination Kit

ⓘ Illuminate the dark corners of the front floor area and upgrade the interior ambience of your Subaru with a soft blue glow. The Footwell Illumination Kit is integrated with the vehicle's light management system to brighten and dim in conjunction with the vehicle's interior lighting. LED lights install securely into the designated prearranged locations.

Optional	Optional	Optional

LED Upgrade

ⓘ Enhance the illumination of your standard interior map and reading lights with brighter, whiter and crisper LED lighting. The LED Upgrade accessory is developed and tested to rigorous Subaru standards for seamless operation, uninterrupted functionality and to help ensure the safety of your vehicle's electrical infrastructure.

Optional	Optional	Optional

Rear Bumper Diffuser

ⓘ Lower rear body panel helps to direct airflow and adds a sculpted finishing touch to the BRZ lower rear body line.

Optional	Optional	Optional

Trunk Spoiler

ⓘ Sleek, low-profile design adds just the right amount of attitude to your BRZ. The spoiler comes in Crystal Black Silica finish.

Optional	Optional	Optional

STI Flexible V-Bar

ⓘ STI Flexible V-Bar provides improved steering response, stability and handling when cornering without sacrificing ride quality. Includes STI logo.

Optional	Optional	Optional

STI Leather Shift Knob - AT

ⓘ The ultimate shift knob for your BRZ. The STI shift knob combines the highest quality aluminum and leather materials, ergonomic shapes, and ideal weight balance.

Not Available	Optional	Not Available

STI Shift Knob - 6MT

ⓘ The ultimate shift knob for your BRZ. The STI shift knob combines the highest quality aluminum and leather materials, ergonomic shapes, and ideal weight balance.

Optional	Optional	Optional

Pet Harness - Medium

ⓘ Before you fasten your own seatbelt and begin all your road trips together, be sure to buckle up your dog for safety. Infinity Loop webbing design, combined with a padded vest, seatbelt grade straps and stress-tested buckles, work together to distribute and reduce damaging forces that can cause injury in a car collision. Manufactured by Sleepypod® and uniquely designed in signature Subaru blue, your dog will travel in safety and style. Crash-tested at child safety seat standards and certified by the Center for Pet Safety for dogs from 18 to 90 pounds. The harness is also designed for use outside of the vehicle as a walking harness with double “D” ring connection to affix a leash and reflective strips and logo for improved visibility at night. To determine the correct size harness for your dog, measure around the ribs just behind the front legs with a flexible cloth tape measure. Measurements for Medium Harness: 22.5" - 28".

Optional	Optional	Optional

1 Requires automatic transmission.

2 Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

3 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit http://www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

4 Activation and required subscription sold separately. Includes trial subscription. See your retailer for details.

5 EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations.

6 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

7 Reverse Automatic Braking is a system designed to assist the driver by detecting objects to help avoid a possible collision when the vehicle is moving in a reverse direction. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.

8 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions, and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.

Legal Disclaimers | * MSRP does not include destination and delivery charges, tax, title, and registration fees. Destination and delivery includes handling and inland freight fees and may vary in some states. Prices, specifications, options, features, and models subject to change without notice. Select colors may be subject to an additional charge. See your retailer for more information.

** EPA fuel economy estimates. Actual mileage will vary with driving conditions and your vehicle's condition.

*** Limited warranties are contingent on age and mileage. Whatever comes first concludes the warranty.

† Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit toyota.com/privacyvts

Safety Connect: Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances.

Remote Connect: Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote start/stop not available on manual transmission-equipped vehicles.

Drive Connect: Services not available in every city or roadway.

Service Connect: Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration.

Wi-Fi Connect: Eligible vehicle and wireless service required. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/solterra for terms and conditions. Up to 5 devices can be supported using in-vehicle connectivity. The Wi-Fi Connect trial begins at the time of enrollment activation and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires subscription for third-party provider services.

Subaru has the utmost respect for the environment and is a proud partner of Leave No Trace. Care was taken not to harm the environment when taking this photo.
