Thule[®] Roof Top Tent

Pet-friendly Padded Cargo Liner ① Thick padding and durable polyester shell provides a comfortable resting area for your pet while protecting the cargo and seatback areas from pet hair, nail scratches, accidents and spills. Design includes a foldout bumper protector for additional protection and a zipper to allow for the 60/40 seats to be up or down while in use. The liner is easy to install with durable, adjustable latches that attach to the lower cargo area mounting loops and rear child seat tether points. Adjustable straps securely affix to headrests and Velcro® mounting straps attach at various locations for increased stability. LATCH-accessible, machine-washable, and easy to vacuum or wipe down to keep clean. Optional Optional Optional Optional Optional **Pet-friendly Padded Seat Protector** ① Protect your back seat from muddy paws and pet hair while your pet travels with you in padded comfort. This heavy-duty seat protector features a smooth, tailored seat back and quilted seat pad to protect your Subaru. Designed without buckles or straps, installation and removal is quick and easy with removal and reinstallation of the headrests and repositioning of the seatbelt through a Velcro® opening in the protector. Water-resistant and LATCH-accessible, the Pet-friendly Padded Seat Protector offers maximum coverage without excess fabric for a tidy appearance, and folds down for easy storage when not in use. The protector is suitable for use in conjunction with child car seats and with rear seat passengers. 60/40 seat functionality compromised when in use. Optional Optional Optional Optional Optional

¹ Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations.
3 Maximum towing capacity varies by trim level. Trailer brakes may be needed. See your retailer for details.
4 The glass information listed represents calculated reference values and may not represent actual values determined by testing.
5 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit http://www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
6 Activation and required subscription sold separately. Includes trial subscription. See your retailer for details.
7 Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add an additional line to their AT&T Mobile Share plan.
8 Automatic Emergency Steering is a system designed to assist the driver. It is not a substitute for safe and attentive driving. Automatic Emergency Steering works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. See Owner's Manual for complete details, including important system limitations. Availability varies by trim level.
9 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.
10 Reverse Automatic Braking is a system designed to assist the driver by detecting objects to help avoid a possible collision when the vehicle is moving in a reverse direction. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.
11 Activation with subscription required. Includes a 3-year trial subscription to Safety services and a 6-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by vehicle and trim level. May not be available in all states. See Retailer for details.
12 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions, and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seat belts must be worn in order to avoid injuries to out-of-position occupants upon bag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat.
