Subaru Sy	mmetrical A	II-Wheel Driv	e						
Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	Standard	
X-MODE [®]									
① X-MODE optimizes engine output and transmission ratio, increases all-wheel drive system engagement, and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low friction surfaces. Onyx Edition models include dual-function X-MODE with Snow/Dirt and Deep Snow/Mud modes. Wilderness models include advanced dual-function X-MODE with Snow/Dirt and Deep Snow/Mud modes and low- and medium-to-high-speed functions.

Brake Assist									

Active Torque Vectoring

Brake Override System ① If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.

	Standard								
--	----------	----------	----------	----------	----------	----------	----------	----------	----------

Auto Vehicle Hold (AVH)

① Auto Vehicle Hold (AVH) helps to reduce driver fatigue by holding the vehicle in place when the vehicle is stopped after the brake pedal has been released. Utilizing VDC and the Electronic Parking Brake, AVH can hold the vehicle stationary on level, decline, or incline surfaces.

Accessories

Wireless Charger

① Conveniently charge your phone without the hassle of tangled wires. The Wireless Charger is a Qi Certified Device with Intelligent Charging Profiles, cell phone battery protection, temperature control technology and short circuit safeguards. Compatible with all Qi enabled devices.

Not Available Optional Optional Optional Optional Optional Optional Optional Optional

Auto-Dimming Mirror with Compass and HomeLink®

① This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision, while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Optional Optional Standard Standard Standard Standard Standard Standard Standard

Cargo Net

① Neatly holds cargo and prevents it from sliding while the vehicle is in motion. The Cargo Net can be used two ways: anchor it to the sides of the cargo area to help prevent shifting from front to back or lay it across the floor to help keep things from rolling around.

Optional Optional Optional Optional Optional Optional Optional Optional

Phone Holder - Cup Holder Mounted

① Designed to securely hold your mobile phone in either portrait or landscape position, and can be tilted at a variety of angles. The phone holder includes a tray to hold small personal belongings and is easily installed by inserting into the center console cup holder.

Optional Optional Optional Optional Optional Optional Optional Optional

Sunshade - 2nd Row

① Keep your rear passengers comfortable with the 2nd row sunshade. When in use, these sunshades dull sun glare and reduce temperatures, as well as provide UV-A/B protection. Custom designed to function with all safety features and window operation.

Optional Optional Optional Optional Optional Optional Optional Optional

Sunshade - Windshield

① The foldable Sunshade offers a triple layer of protection to help reduce vehicle temperature up to 40 degrees. The Sunshade is custom-cut to fit properly, and includes a handy storage bag.

Thule[®] Cargo Carrier - Extended ① Manufactured by Thule[®], the extended carrier provides 17 cubic feet of lockable storage capacity and features dual-side opening for easier loading and unloading from either side of the vehicle. The low-profile, aerodynamic design provides increased garage access without sacrificing box capacity and the Quick-Grip mounting system allows for an easy, tool-free installation and removal. Measures 84" L x 34.5" W x 17" H. Consult vehicle owner's manual for total roof load limit. Cannot be used in conjunction with the Moonroof Air Deflector. Optional Optional Optional Optional Optional Optional Optional Optional Optional Thule[®] Roof Top Tent ① A modern shape and spacious interior transform your vehicle into a home away from home, providing more living space for you and for your gear. Features panoramic skylights and windows to help keep you cool and the tent well ventilated, and a dual-layer foam mattress for increased comfort. Lockable mounting brackets secure the tent to the Thule® Crossbar Set – Aero Extended. Removable rain cover with 3 modes of protection - heavy rain, rain protection with visibility through windows and skylights, and ready-to-deploy mode. Six dual-zippered panels for the door, window, and four skylights feature a bug screen and water-resistant polyester panel for privacy. Zippered travel cover protects the tent from the elements when the tent is stowed on top of the vehicle. Telescoping aluminum ladder allows easy access to the rooftop tent and functions as a critical support to stabilize the weight of the tent and its occupants. 2-3 person capacity: sleeps 2 adults and 1 child, or 2 adults comfortably. Suitable for use on Subaru vehicles equipped with factory raised roof rails and adequate roof capacity. Consult vehicle owner's manual for total roof load limit. Quick and easy deployment in 3 minutes or less: unzip the travel cover, unfold the base, and secure the ladder to begin your camping adventure! Open dimensions: 95" x 56" x 44". Closed dimensions: 49" x 56" x 11". Sleeping footprint: 95" x 51". Peak internal height: 40.2". Weight of tent: 128 lbs. (Representative image only. Accessory shown on a Crosstrek.) Not Available Not Available Not Available Not Available Not Available Not Available Optional Not Available Not Available **Pet Rear Door Protector** ① For your furry companion that loves to gaze out the window, the lightweight and durable Pet Rear Door Protector helps protect your door panel from scratches, nail punctures, scuffs, dirt and infamous dog drool. Manufactured with a premium, durable design to seamlessly fit the contours of your door, and heavy-duty polyester to extend protection to the entire door panel. The protector is easy to install and remove with three clips that insert between the window and door panel, and folds in half to stow when not in use. Comes in a set of two. Not intended for use with human passengers in the back seat. Not recommended for use with aftermarket rear window tint. Optional Optional Optional Optional Optional Optional Optional Optional Optional **Pet-friendly Padded Cargo Liner** 1 Thick padding and durable polyester shell provides a comfortable resting area for your pet while protecting the cargo and seatback areas from pet hair, nail scratches, accidents and spills. Design includes a foldout bumper protector for additional protection and a zipper to allow for the 60/40 seats to be up or down while in use. The liner is easy to install with durable, adjustable latches that attach to the lower cargo area mounting loops and rear child seat tether points. Adjustable straps securely affix to headrests and Velcro® mounting straps attach at various locations for increased stability. LATCH-accessible, machine-washable, and easy to vacuum or wipe down to keep clean. Optional Optional Optional Optional Optional Optional Optional Optional Optional Pet-friendly Padded Seat Protector ① Protect your back seat from muddy paws and pet hair while your pet travels with you in padded comfort. This heavy-duty seat protector features a smooth, tailored seat back and quilted seat pad to protect your Subaru. Designed without buckles or straps, installation and removal is quick and easy with removal and reinstallation of the headrests and repositioning of the seatbelt through a Velcro® opening in the protector. Water-resistant and LATCH-accessible, the Pet-friendly Padded Seat Protector offers maximum coverage without excess fabric for a tidy appearance, and folds down for easy storage when not in use. The protector is suitable for use in conjunction with child car seats and with rear seat passengers. 60/40 seat functionality compromised when in use. Optional Optional Optional Optional Optional Optional Optional Optional Optional

Seat Cover - Rear

① Keep your second row tidy with the custom-fitted rear seat covers. Machine-washable, water-resistant and LATCH-accessible – this seat cover is great for pets, kids and life on the go. Made with a polyester front and polyurethane coated back.

² Compatible smartphone and application required. The latest app version is required for best performance. Data provided by smartphone is displayed on head unit screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.

³ EyeSight is a driver-assist system that may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations.

⁴ Certain limitations apply. See Owner's Manual for details.

⁵ EyeSight is a driver assist system which may not operate optimally under all driving conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather, and road conditions. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations.

Safety Connect: Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances.
Remote Connect: Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote start/stop not available on manual transmission-equipped vehicles.
Drive Connect: Services not available in every city or roadway.
Service Connect: Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration.
Wi-Fi Connect: Eligible vehicle and wireless service required. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/solterra for terms and conditions. Up to 5 devices can be supported using in-vehicle connectivity. The Wi-Fi Connect trial begins at the time of enrollment activation and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires subscription for third-party provider services.
